➤ **Wanted: Students to Transform the Student Technology Experience at UC Berkeley**

The Student Information Systems Project ([sisproject.berkeley.edu](http://sisproject.berkeley.edu)) is replacing the current admissions, enrollment, registration, financial aid, student accounts, and advising systems with a modern, nimble, and effective vendor-supported system. eLearning Assistants are needed to help students, faculty, and staff learn how to use the new CalCentral by developing clear, concise, and fun explanatory videos and online materials. You'll be part of a multi-disciplinary team consisting of professional and student trainers, testers, designers, and project managers. The position starts immediately and pay is \$15.00/hour. For more information, review the job description (<http://bit.ly/2nNMwrh>) and see Workstudy Job #5926312733 (Workstudy is not a requirement to apply). To apply, send a cover letter and resume to Arlette Jacome - [arlettemarisol@berkeley.edu](mailto:arlettemarisol@berkeley.edu).

➤ **NOW HIRING: Great at communicating and thinking about the “big picture” in science?**

The [Organ Preservation Alliance](#) is working to overcome a fundamental bottleneck across science and medicine that affects millions of patients each year. If you have exceptional communication skills and a strong background in the biosciences or bioengineering, this may be a great fit for your next career step!

You'll have an opportunity to **influence scientific progress at the highest levels** and across many fields, while:

- Coordinating the work of many research labs by directly working with PIs
- Authoring and publishing scholarly articles

## March 27, 2017: Job Opportunities

- Forming relationships with top research scientists, clinicians, biotech executives, academic journal editors and journalists, heads of non-profits and professional societies, and government representatives
- Receiving formal training in many forms of communication and learning skills that can change the trajectory of any career path - from academic research to rising to the top of a large company
- Commanding a high salary commensurate with the impact you are making (first-year: up to \$90,250).

### ➤ **The Gathering Place with Alternative Family Services in Oakland**

We work in partnership with the County of Alameda and the Department of Social Services to provide a safe environment for court ordered family visitations. I'm hoping to connect with either some students or faculty members who have student recommendations for a part-time role within our organization. We need capable and knowledgeable Family Counselors to help us provide the best possible services for the families we work with.

A full job description is attached but a Family Counselor's primary role is to supervise and monitor visitations between children and their biological families who are trying to regain custody of them after having been removed from their home by the County of Alameda. Family Counselors also help model positive parenting program techniques for parents as needed throughout visitations, document these visitations for the county DSS workers and sometimes transport children to and from these visits. The hours are flexible and can accommodate a school schedule.

Position: Family Counselor – The Gathering Place  
Reports to: Site Manager or Asst. Site Manager  
FLSA status: Non-Exempt

Position Summary: The Family Counselor works in The Gathering Place supporting families and children involved in the child welfare system. They are responsible for promoting positive parenting skills and supporting families during visits.

Qualifications: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge,

This is particularly well suited to those who would like to pursue a PhD in clinical psychology. A 2-year commitment is required.

➤ **1:1 Support for an Autistic Boy**

We are looking for a patient, child-centered student with interest in special education or related fields. We need somebody to provide 1:1 support for moderately autistic 7-year-old boy attending Sunday school in a San Leandro synagogue. The hours are 9am-noon.

We've been using Applied Behavioral Analysis method with success. Our son follows directions well and follows the lead of his peers in group settings; he will need hand-over-hand guidance, promoting and redirection. If you are not familiar with these concepts, don't worry. We prefer somebody with experience, but we are willing to train.
