

➤ **KALX 90.7FM is Recruiting!**

If you are looking for a career in the entertainment industry and want to gain experience or are just looking for like-minded people, **KALX 90.7 FM**, UC Berkeley's official radio station, is the place for you!

KALX is looking for motivated people to work in any of the many departments responsible for the day-to-day operations of the station. In addition to on-air positions, there are plenty of things to do behind the scenes.

You can become a DJ on the radio, work in Publicity where you will table at concerts and festivals in the Bay Area, learn to produce for the radio through the Production department, and even become a Sports Broadcaster and travel on the road with Cal sports teams.

Former KALXers have gone on right out of school to work at companies such as HBO, Pandora, Fox Sports, CBS, CMJ, etc. This can truly boost your resume while in school and open doors for you.

Don't miss your opportunity to join us! Come to our recruitment on **Thursday, September 7th at 8pm in 145 Dwinelle**.

This is open to all students whether you are Undergrad, Graduate, or Post Doc. We would love to have you part of the KALX family!

Any questions? Shoot us an email at [mail@kalx.berkeley.edu](mailto:mail@kalx.berkeley.edu) or give us a ring at 510-642-1111.

➤ **Temporary Job Opening for Bilingual Students**

Good afternoon,

I am a Research Assistant at [Harder+Company Community Research](#), an evaluation and research consulting firm focused on helping public and social sector organizations maximize efficiency and effectiveness. One of our clients is [First 5 Fresno County](#), an organization that provides funding for programs and services designed to help all children ages 0-5 achieve optimal social, emotional, physical, and cognitive development. As part of our evaluation of F5FC, we conduct an annual Parent Interview to assess parent involvement in children's development, the progress children have made, and the ways that programs and services play a role in that development and progress.

To this end, we are seeking **4 bilingual** (Spanish and English) **temporary employees** to conduct interviews with our sample of parents from **late October through late January**. Interviews will be conducted over the phone from our office **in San Francisco**. We expect

temps to work **25-30 hours a week**. They will be paid **\$20/hour**. Applicants should have an interest in research and social impact, as well as some experience engaging in data collection.

We would very much appreciate it if you could distribute the attached job posting throughout your network. Interested applicants should send me their CV or resume directly at [alitwin@harderco.com](mailto:alitwin@harderco.com) no later than **October 13<sup>th</sup>**.

Please let me know if you have any questions. Thank you for your support.

Best,  
Ashley

### ➤ **Hiring passionate activists to defend the CFPB**

U.S. PIRG is a consumer group that stands up to powerful interests whenever they threaten our health and safety, our financial security, or our right to fully participate in our democratic society.

Right now U.S. PIRG is fighting to defend the Consumer Financial Protection Bureau (CFPB) from legislation that would gut Wall Street reforms and destroy the CFPB as we know it.

The CFPB is the first federal agency devoted to protecting consumers in the financial marketplace. You may recall that in in 2016 the CFPB held Wells Fargo accountable for unfair treatment of its customers. The enforcement action the CFPB took against Wells Fargo was one of many times the CFPB has required banks and other financial companies to pay fines and compensate customers for wrongdoing.

That is why we need your help. In order for us to mobilize widespread support to protect the CFPB, we a hiring people who are passionate about advocating for our citizen's best interests.

U.S. PIRG fellows work hard to advocate for the public interest — whether it's by developing campaigns, building coalitions, mobilizing and organizing the public, showcasing our work online and in the media, or making our case directly to decision makers.

## ➤ **Cornerstone Full-Time Recruiting**

As you begin exploring options for life after graduation, we invite you to discover the Analyst experience at Cornerstone Research. Cornerstone Research is a leading economic and financial consulting firm specializing in the analysis of complex economic, financial, accounting, and marketing issues that arise in the context of various kinds of litigation.

Cornerstone Research will be on campus at the following events:

- Cal Career Fair on Thursday, September 14, 2017 from 11:00 AM – 4:00 PM at the Recreational Sports Facility, Field House Gym
- Cornerstone Research information session on Thursday, September 14, 2017 from 4:30 PM – 6:00 PM at the Faculty Club, Seaborg Room

**CORNERSTONE RESEARCH**  
Economic and Financial Consulting and Expert Testimony

**ABOUT CORNERSTONE RESEARCH**

Cornerstone Research is a leading economic and financial consulting firm specializing in the analysis of complex economic, financial, accounting, and marketing issues that arise in the context of various kinds of litigation. For example, we may be asked to predict the effect of a merger of two major high-tech firms on prices and innovation, or to determine the effect of unfavorable drug test results on the stock price of a leading pharmaceutical company, or to value a patent on smartphone technology that might have been infringed.

Cornerstone Research has 700 staff and offices in Boston, Chicago, London, Los Angeles, New York, San Francisco, Silicon Valley, and Washington.

**THE ANALYST EXPERIENCE**

Analysts play a central role at Cornerstone Research. They work in case teams that vary in size and typically include an academic or industry expert, senior consultants, and multiple analysts. Within a case team, analysts make important contributions during all phases of the project—from developing case strategy and conducting analyses to preparing experts for testimony. Analysts are exposed to numerous types of cases across a spectrum of industries.

Analysts are well prepared for a range of opportunities during their time at Cornerstone Research. Approximately three-quarters of Cornerstone Research analysts choose to pursue advanced degrees—most often MBAs, JDs, and PhDs at top graduate programs such as Harvard Business School, Stanford Law School, and the University of Chicago. In addition, many Cornerstone Research analysts proceed directly to careers in technology, business, finance, research, consulting or nonprofit work.

**HOW TO APPLY**

Additional information and videos about our firm and the analyst position are available on our website: [www.cornerstone.com/careers](http://www.cornerstone.com/careers)

Applications for analyst positions will be available on both your school's Career Services website and the Cornerstone Research website this Fall.

 Find us on Facebook: [www.facebook.com/CornerstoneResearchInc](https://www.facebook.com/CornerstoneResearchInc)

[www.cornerstone.com](http://www.cornerstone.com)

Please submit your application through the Career Center website. Our resume drop will close on Friday, September 15, at 11:59 pm. Additional information and videos about our firm and the analyst position are available on our website: [www.cornerstone.com/careers](http://www.cornerstone.com/careers).

➤ **Work Study Position: Peer Nutrition Educator for University Health Services, Social Services**

\$15/hour x 64 hours/semester

Position: #1917491295.

(Approximately 4 hours per week x 16 weeks. Days and times TBD, occasional evenings.)

One-year commitment strongly preferred, academic year 2017-2018

The UHS Peer Nutrition Educators broaden the reach of UHS nutrition services and enhance student wellness through three main services: **body image training, nutrition education, and food and cooking skills development**. Under the supervision of a UHS Wellness Dietitian, Peer Nutrition Educators will be trained in the three major topics as well as presenting and teaching skills, and participate in several outreach activities on campus. Outreach activities will take place at various campus locations and will be planned in advance or by request. Possible outreach activities may include: providing nutrition education for the student food pantry, giving a presentation for a student group or club, creating a short educational video, or leading a body image workshop at a residence hall or co-op.

Qualifications:

- Interest in learning more about nutrition, food, cooking, and body image. (Expertise in these topics *not* required, though some previous education will be helpful.)
- Willingness to follow through on commitments.
- Flexibility and willingness to work occasional evening events.
- Must enjoy interacting with people or be willing to develop interpersonal skills.
- This position is **not** appropriate for students currently or recently struggling with eating disorders or disordered eating.

➤ **The Sutardja Center for Entrepreneurship and Technology (SCET)**

The Sutardja Center for Entrepreneurship and Technology (SCET) at UC Berkeley is looking to hire a current UCB student to work as the Global Engagement Coordinator whose primary responsibilities are to assist with communicating, developing, and managing relationships with the global partners/ affiliates of the center. Applicants must be available to start at the beginning of August, and ideally remain in the position until the end of the Academic year.

Students with strong organization and communication skills, and the ability to work with people of diverse backgrounds are strongly encouraged to apply. The pay rate is \$15 p/h and work-study is preferred, but not required. Interested applicants should send a brief statement of interest (one paragraph) and a copy of their resume as one document to: Susan Giesecke ([sgiesecke@berkeley.edu](mailto:sgiesecke@berkeley.edu))

➤ **Job Opening - Assistant Clinical Research Coordinator – UCSF**

UCSF is looking for an Assistant Clinical Research Coordinator at the UCSF Memory and Aging Center in the labs of Dr. Joel Kramer and Dr. Adam Boxer. They're looking for someone to take over the position ASAP, preferably to psychology graduates that might be interested! This is a full-time position, bachelor's degree required. All interested applicants should please email [paige.mumford@ucsf.edu](mailto:paige.mumford@ucsf.edu) with their CV and cover letter, and "ACRC application" as the email subject.

Position description:

Incumbent will be responsible for the collection, editing, and analysis of imaging data obtained through multiple projects on aging and neurodegenerative diseases being conducted at the Memory and Aging Center. Responsibilities would include acquiring MRI data, which will involve interacting with patients with cognitive impairment and their families. A large proportion of time will be spent processing neuroimaging data for analysis using programs such as SPM, FreeSurfer, FSL and other similar software. This includes extensive quality control work including inspection of program output and manual editing of processed images and reprocessing as necessary, and tracking the progress of processing for assigned images. Incumbent will also be responsible for summarizing data obtained from analyses and presenting them to responsible investigators, and for assisting with preparation of manuscripts including writing up methodology and results and creating figures.

Prior experience with brain image processing programs in particular SPM and FreeSurfer are strongly preferred. Ideal candidate would have facility with computer programming and computer languages, in particular Linux scripting, or willingness to learn these skills. Knowledge of macroscopic brain anatomy and biology is also strongly stressed. Experience with statistical software such as STATA and R is also desirable.

➤ **Position: Staff Research Associate I**

**Reports to:** PI: Dr. Sabra Inslicht

**Department:** Research, Mental Health Services

**Position Definition:**

Researchers from the San Francisco VA Medical Center; Northern California Institute for Research and Education (NCIRE); and University of California, San Francisco are conducting several research studies in trauma survivors with posttraumatic stress disorder (PTSD) involving psychophysiological measurement. The incumbent will assist in carrying out study coordination for these multiple research projects related to PTSD. The lab is seeking at least a 2-year commitment for this position. This is a full-time position. Salary will be commensurate with education and relevant experience.

**Essential Functions:**

- Coordinate all aspects of the research protocol & manage the daily study operations
- Manage subject enrollment, subject tracking, scheduling, correspondence, appointment reminders as well as coordinate subject payments
- Conduct telephone screening interviews on psychiatric and medical symptomatology with participants to pre-assess for study eligibility

## Work Opportunities – September 4, 2017

- Act as liaison with the multidisciplinary study team (e.g., clinical interviewer, physician, laboratory) in determining study eligibility, coordinating study procedures, and ensuring adherence to study protocol
- Coordinate all aspects of data management, including entry, verification and analysis
- Program and maintain psychology/psychophysiology experiments and related hardware and software
- Prepare and manage Institutional Review Board Documentation and other Regulatory Documents
- Assist with grant submissions, conference presentations, and manuscript preparation
- Plan and track budget; purchase equipment and supplies, and track study expenditures
- Manage shipment of biological samples to offsite laboratory, sample tracking, correspondence with laboratories
- Collaborate with study team and PI to continuously improve procedures
- Perform other duties as assigned

### **Job Requirements:**

- BA or BS in psychology or related field
- 1-2 years previous experience in human subjects research
- Ability and experience in conducting and coordinating psychological research studies, including tracking of participants, data entry and management using database software (e.g., Excel, Access), analyzing and interpreting patient medical and psychiatric records.
- Ability to communicate with individuals of varying educational and social backgrounds about potentially sensitive issues. Prior experience in a mental health setting is preferred.
- Prior experience in psychophysiology measurement experience using Biopac or similar equipment
- Computer literacy with emphasis on Windows operating systems and psychology software applications (e.g., AcqKnowledge, Inquisit, SuperLab, Qualtrics)
- Experience preparing and managing Institutional Review Board (IRB) submissions and other regulatory documentation
- Prior experience collecting, organizing, and shipping biological samples is preferred. Familiarity with Freezerworks or other biological sample software is not necessary but would confer an advantage
- Knowledge of and experience with advertising and marketing
- Experience with grant and budget preparation is highly desired
- Excellent interpersonal, written and oral communication skills
- Must be highly organized and detail oriented
- Ability to work under minimal supervision

Individuals majoring in psychology, neuroscience, cell biology, computer science and engineering, as well as post-baccalaureate students are encouraged to apply.

**If interested, please email [callan.lujan@va.gov](mailto:callan.lujan@va.gov) with a cover letter and CV or resume.**

### ➤ **Program Mentor/Counselor position (full or part time)**

New Directions for Young Adults - California [www.ndfya-ca.com](http://www.ndfya-ca.com) is a transitional living program located in Pleasant Hill, CA that helps young adults with Autism Spectrum Disorder, learning disabilities and other psychiatric disabilities learn the skills needed to live independently. Our “high functioning” clients live in their own private apartments and receive support with life management skills (cooking, cleaning, etc.), financial management, academic tutoring, social skills training, social activities and more. We are a rapidly growing

## Work Opportunities – September 4, 2017

program and need reliable, organized and compassionate employees to join our close knit, collegial and fun treatment team. You will be provided with training and instruction and then asked to work with program clients teaching life skills, providing transportation, offering supervision during social outings, providing tutoring in college classes and providing other support. (The work does NOT involve helping clients with basic hygiene or self-care.) The ideal candidate would be available part time over the next few months and then could move to full time employment in the summer.

This initial position requires someone with a diverse skill set:

- a clean criminal background check and driving record
- experience or willingness to learn to drive a large passenger van when needed ● morning availability
- high personal reliability, organization and time management
- strong computer skills and written communication
- strengths in the life management skills we teach (cooking, cleaning, exercise, etc.) ● enthusiasm and the ability to actively engage and motivate clients
- the flexibility to take on new, diverse tasks as the situation demands
- empathy, patience, and an interest in mentoring young adults with disabilities

Ideal applicants might also possess:

- ability to help clients with basic financial management skills
- ability to tutor basic college courses (e.g. freshman English, basic math, etc.)
- an interest in helping students pursue their employment goals
- previous experience with persons with autism or Asperger's syndrome
- previous mentoring experience (camp counselor, teacher's aide, etc.)
- a background in psychology or special education
- a residence near our Pleasant Hill offices

This position offers excellent practical experience for those interested in working with this population. In addition, there is real potential for growth with the company, as many of our initial hires have moved on to management positions in the company. This is an ideal job for a graduating senior in psychology who wants to get practical experience with a clinical population before applying to graduate school. (We currently employ two Cal grads who are expecting to enroll in graduate school this fall.) We offer dental, medical and vision benefits to FT employees. If you are interested in this position, please send a resume and cover letter in .pdf format to [matt@ndfyaca.com](mailto:matt@ndfyaca.com) Include your last name and the words "Program Mentor" in the subject line.

## Work Opportunities – September 4, 2017

Job Title: Assistant II

Employer: Biosciences Divisional Services

### Description:

This position supports the Integrative Biology (IB) and Molecular and Cell Biology (MCB) undergraduate advising office. We are seeking a student who would be able to work during our advising hours (M-Th 9am-12pm, 1-4pm and Fridays 9am-12pm, 1-3pm) to assist with the following:

- Serve as first contact to students, visitors, and a number of academic and administrative units on campus requesting information about the undergraduate programs and services.
- Greet students and visitors in a professional and friendly manner, both in person and on the phone.
- Assess visitor needs and recommend appropriate action or referral, both in person and on the phone.
- Answer all calls to the main phone lines.
- Efficiently update and maintain large student database on a daily basis, modifying current records, creating new records, and archiving inactive records.
- Ensure all office forms are available, making copies as needed.
- Update bulletin boards with relevant information weekly.
- Maintain orderliness and cleanliness in the front desk area.
- Other administrative duties as assigned.

Intended/declared IB or MCB students are welcome to apply. Student will be required to sign a confidentiality agreement.

### Qualifications:

- Highly developed interpersonal skills and ability to exhibit professionalism and respect when working with students and other visitors.
- Ability to work in a fast-paced environment with a diverse staff, students, and the general public.
- Ability to interact with the public and with various levels of the University community including academic and support staff in a diplomatic and tactful manner.
- Ability to work effectively, independently, and as a team member.
- Demonstrated strong organizational skills and capacity to work with multiple priorities.
- Demonstrated high level of oral communication.
- Ability to work with confidential student information in a sensitive manner.

❖ Reference number is reference #8427747351 and can be found at <https://workstudy.berkeley.edu>.

## ➤ Career Center hiring 2 Communications Assistants

The Career Center is currently hiring 2 work study students for a Communications/Marketing position starting in Fall 2017. Students in these positions will have access to and work directly with all the professionals in the Career Center, exposing them to the latest trends, industry leaders, and other resources related to career development. Communications Assistants will support the counseling staff in a variety of ways:

- Researching and writing material for mass distribution through Handshake
- Assist with preparation of promotional materials

## Work Opportunities – September 4, 2017

- Produce/design program materials when needed
- Leveraging media to build brand awareness
- Conduct market research
- Media coverage of events and/or assist with production of short, fun video clips

Hours are flexible depending on the student's availability. Ideal candidates will be able to work 12-15 hours a week, Monday- Friday, between 8am - 5pm. Occasional evening hours may be required. Work to begin prior to classes starting, if available.

\* Excellent writing skills, including grammar and spelling accuracy. \* Attention to detail, organized and able to keep accurate and organized records. \* Fast typing skills. \* Willing to ask questions and clarify instructions. \* Strong interpersonal skills and good team player. \* Must be able to take direction and work independently. \* Able to meet deadlines. \* Familiarity with Adobe Creative Suite (Dreamweaver is a must). Preferred: \* Proficiency in Adobe Creative Suite (primarily Photoshop, Illustrator, Dreamweaver) or other design programs \* Experience with photography/videography.

To apply, please submit cover letter and resume. Resumes submitted without a cover letter will not be considered. See the Career Center website to learn about cover letters and resumes if you've never written one before.
