PROGRAM

All Clinical Science students must carry APAIT Student Liability Insurance while conducting clinical work while in residence (therapy, assessments, community work both in the Clinic and while on any Externship assignments). Students apply for this insurance (<http://www.apait.org/apait/>) at the beginning of the first semester upon arrival in the program and renew it annually while in residence. The Clinical Science Program reimburses the cost of the coverage for clinical work conducted in the Psychology Clinic. Copies of the policy must be on file in the Clinic Office. Current APAIT Student Liability Insurance Cost: \$35.00 per annum
