## Opportunities for Berkeley Students Away from Berkeley

Did you know there are many opportunities to conduct research outside of Berkeley? These can be opportunities that are within commute distance that could be done during the academic year (e.g. lab positions at [Children's Hospital of Oakland Research Institute](#), [Lawrence Berkeley Lab](#), [UCSF](#), or [Lawrence Livermore Lab](#))

Alternatively, you could conduct research at other campuses all over the US or even in other countries over the summer, usually with generous funding. [This page](#) shows a number of databases of summer research programs -- mostly with January and February deadlines -- that Berkeley students can apply for. Do your research now so you can pounce on these amazing opportunities!

## SFVAMC Research Volunteer Position

San Francisco VA Hospital PTSD Research Program Volunteer Sleep and PTSD Research Assistant

The Stress and Health Research Program at the San Francisco VA Medical Center and the University of California San Francisco is seeking volunteer Research Assistants to assist with research studies focused on PTSD.

The Research Assistant will be responsible for assisting with the day-to-day operations of research projects on PTSD and sleep. Commitment to assisting with evening research activities involving data collection is required. The research assistant will perform duties including: primarily cleaning and organizing self-report and physiological data; data entry; recruitment procedures such as preparing and sending recruitment messages; telephone screenings with potential participants for eligibility purposes; and assisting in tracking participants participating in studies. Additional activities, depending on time and duration of commitment, may involve

administration of the study protocol including guiding and supporting participants through study visits, administration of cognitive testing; and other research-related tasks necessary for implementation of the studies, such as literature reviews, table/slide construction, collection of relevant documents; and general office management.

The ideal candidate will:

- Be in a BA/BS degree program in psychology, pre-med or a related field
- Possess strong interpersonal and oral communication skills
- Possess familiarity with diagnostic and therapeutic issues related to PTSD
- Possess prior research experience

Additionally:

- Prior experience in clinical settings is desirable
- Commitment to working up to 2 evenings per week is required
- Ability to work flexibly in-person and remote with the needs of the lab
- Minimum time commitment is 8 hours per week
- 1-year commitment is required

If you are interested in applying for this position, please email a cover letter and resume to the [emily.staggs@va.gov](mailto:emily.staggs@va.gov) with the subject heading *PTSD Volunteer Research Assistant*.

## Service Year Opportunity - Casa de Esperanza Para los Niños Volunteer Opportunity

### **Want to make a difference in the lives of young children?**

Casa de Esperanza seeks applicants for the Hands of Hope Service Year Program. Casa de Esperanza provides residential foster care to children ages birth through six who are in crisis due to abuse, neglect or the effects of HIV.

## Virtual Mentoring Opportunity

The [Illinois Science & Technology Education](#) team believes that bridging the gaps between classroom curriculum and real-world context is key to creating new opportunities. [The Mentor Matching Engine\(MME\)](#) is a secure and collaborative virtual platform created by ISTC to help students bridge this gap by connecting them to mentors to further enhance student research projects.

Our incredible group of mentors is what makes MME transformative. Our mentors come from a wide variety of backgrounds and hold many different perspectives on how to apply their skill sets. As a result, our students are able to build confidence around their experiences and interests and explore the world of research.

MME allows students the opportunity to engage with mentors, anytime and anywhere. ISTC will be serving over 1700 high school students through our MME program. We are looking for mentors with fresh experiences and perspectives to join our students. The time commitment is **only** an hour a week, maximum, and they can participate from anywhere since our platform is completely virtual.

ISTC has many high school students looking for Psychology mentors, and this is where you come in! If you or anyone you know is interested, [sign up](#) today!

## Online/In-person Internship Opportunity

*Become a Vanguard Court Watch Intern!*

We are looking for students interested in an exciting and challenging program monitoring and reporting court cases in the local courts. This is one of the only opportunities for undergraduate-level interns to go into the courtroom to observe live trials. Due to covid, we are offering both online or in-person opportunities.

The Vanguard Court Watch is a non-profit organization that covers criminal cases through the California courts. **It offers student interns an opportunity to gain experience in the courthouse, watch and monitor cases, and develop their journalistic writing skills for a local online publication.**

Interns are sent into either an *in-person* or *virtual* courtroom to take notes, monitor cases, and report, as well as record observations about current court cases. We also have opportunities for them to work on wrongful conviction reports and our COVID-19 behind bars project.

**If you would like to apply, please email a copy of your resume and cover letter to Michelle Lagos, [mlagos@davisvanguard.org](mailto:mlagos@davisvanguard.org).**

## **UCLA Youth Stress & Mood Program & Center for Adolescent Suicide & Self-Harm Treatment & Prevention**

The UCLA Youth Stress & Mood Program & UCLA-Duke Center for Adolescent Suicide & Self-Harm Treatment & Prevention Center (ASAP, [www.asapnctsn.org](http://www.asapnctsn.org)) anticipates hiring two individuals who have research experience and interest in management of clinical trials and/or research on suicide prevention. Program positions involve program management and coordination for a large 5-site comparative effectiveness trial funded by the Patient Centered Outcomes Research Institute (PCORI) to evaluate two intervention strategies for reducing suicide attempt risk in adolescents and young adults. The trial will be conducted in Emergency Departments (EDs) across study sites and is designed to inform care for youth presenting to EDs with acute suicidal episodes. Individuals who have completed a bachelor's or more advanced degree will be considered. The positions are an excellent fit for an individual who has completed or is interested in attending graduate school in psychology, public health, social work, nursing, medical school, or related fields. For more information about the study see:

<https://www.pcori.org/research-results/2021/youth-partners-care-suicide-prevention-ypic-sp>.

Our UCLA program has other research projects that aim to 1) test novel approaches to care, treatment, and service delivery, 2) enhance understanding of mechanisms contributing to suicide risk, and 3) develop and test technology enhanced tools for evaluation and intervention. Individuals in these positions will also participate and gain experience with other program projects and activities, and will have opportunities to participate in presentations and publications, as well as grant development.

Successful candidates will work under the direction of Joan Asarnow PhD, ABPP, UCLA YSAM/ASAP Center Director, and other leaders of the program, and contribute to the success of programs and initiatives. This will include work with YSAM/ASAP Center programs and projects that are being implemented across diverse clinical and health service settings. Responsibilities will include: coordinating program activities across sites; coordinating enrollment and assessment processes and data with sites and the survey research group

## Internship and Volunteering Opportunities: Week of May 2nd, 2022

conducting follow-up assessments; participating in enrollment and assessments; preparation of IRB materials and reports, preparation of materials and reports for the Data Safety and Management Board; support with budget management; preparation of materials and reports for PCORI, NIMH, and other funding agencies; assistance/participation in the preparation of manuscripts, presentations, applications, and program communications; support with data management and coordination with the data and statistics group; general lab support; and other tasks needed for success of program work.

Candidates must have completed an undergraduate or more advanced degree (MA, MPH, RN, MSW, PhD, MD). Salary is dependent upon the candidate's qualifications.

### **Expectations and Requirements:**

- Schedule must be flexible because weekend and evening availability is required at times. We anticipate filling one full time position and one part time position at this time.
- A 2 to 5-year commitment is preferred
- Strong interpersonal, organizational, and program management skills, proficiency in using computer software and programs, strong communication skills, and data management skills.
- Ability to drive and access to a car to travel between sites

The position is based at UCLA in Los Angeles. Send resume/curriculum vitae and cover letter outlining your qualifications and experience to Lucas Zullo, PhD at: [lzullo@mednet.ucla.edu](mailto:lzullo@mednet.ucla.edu). UCLA is an Equal Employment Opportunity employer and does not discriminate on the basis of race, ethnicity or gender.

## **Assistant Investigator at Gladstone/UCSF**

We are looking for a research associate to join our growing lab group. The candidate will be a critical member of a team of biologists working to understand the role of the epigenome in neurodegenerative diseases including Alzheimer's and Parkinson's disease. The position will require the candidate to learn and perform basic and advanced cellular and molecular biology techniques including high throughput sequencing, single-cell assays, CRISPR-based high-throughput screens, flow cytometry, and iPSC-based cellular differentiation assays.

## **Volunteer Research Assistant Positions - Emotion, Health, and Psychophysiology Lab**

The Emotion, Health, and Psychophysiology Lab at UCSF is accepting applications for volunteer research assistant positions. Our research focuses on embodiment -- how the mind influences the body, and the reciprocal, how bodily changes influence thoughts, emotions, and intentions. Research assistants working in the lab are exposed to a variety of studies at the intersection of social psychology, emotion, and psychophysiology. RAs learn how to conduct studies, collect physiological data, and edit and score autonomic data. Our RAs work at least 10-12 hours a week for two school semesters. This volunteer opportunity is ideal for undergraduate students or recent graduates looking to gain research experience for graduate school or medical school. Please note that while we welcome international applicants, we cannot help with the visa process.

If you are interested in applying, please fill out this application form (<https://forms.gle/b2qs7eP7kjZwyPfs9>). Any questions can be forwarded to [ehpl@ucsf.edu](mailto:ehpl@ucsf.edu).

graduate training programs in clinical psychology, social work, medicine, and education. Previous trainees within Camp Baker have gone into successful careers in all of these fields.

Camp Baker is currently accepting applications for [Undergraduate Counselors and Teaching Assistants](#). Please visit our website for a detailed description of roles and responsibilities: [Training Opportunities are available here](#).

Training begins Friday, July 1st, 2022 with the July 4th holiday off. Camp Baker runs from Monday, July 11th and continues through Friday, August 19th, 2022. Trainees typically work from 7:30am until 4:30pm and stay from 7:30am-6pm one evening per week. The stipend for undergraduate-level positions this summer is \$1,000. Interested applicants should apply on the website under the training tab. Mandatory materials that must be uploaded are listed below:

- A cover letter describing your professional development goals and how Camp Baker might fit with those goals
- A current CV
- A de-identified assessment report, treatment report, or other psychology-related writing sample
- The name and contact information for your practicum coordinator (for applicants looking to gain practicum or academic credit)
- Three letters of recommendation (sent to Dr. Tannenbaum from the recommender directly through the website)

## Academic Cultural Enrichment Coaches Volunteer Positions

We're Academic Cultural Enrichment Coaches, or ACE Coaches, and we are a tutoring club at UC Berkeley that serves elementary students living in SROs in San Francisco Chinatown. We tutor in math, English, science, and Chinese culture every Saturday in close coordination with the Chinatown YMCA, and we are looking for more tutors to help serve our community! Tutors will have opportunities to develop creative and interactive lessons to engage our students, who we often find teaching us in return, as we get to know them. You don't need any experience with tutoring or speaking Chinese to join—we welcome all students who are interested in aiding our mission! Please email us at [acecoaches@berkeley.edu](mailto:acecoaches@berkeley.edu) or fill out our interest form (<https://forms.gle/koR34VqfpCAQFrJj6>) to contact us!

## Whitney Lab Looking For Undergrad RAs Immediately

Need some research experience but URAP ghosting you? You're in luck!

The Whitney Perception Lab is looking for some RAs to help out with some amazing perception experiments. They are looking for help right away so please apply as soon as you can if you are interested!

We will stop taking on RAs as soon as we get enough people so there is no deadline. [See the PDF attached to apply](#) - if you don't have a CV/resume that's okay just create a document that has some of the experience you have or what classes you have taken. If you don't have any experience that's okay just make sure to mention that in your email. Make sure to read the PDF in entirety before applying and best of luck!

NOTE- PLEASE make sure you can commit before applying, a lot of people are juggling a lot this semester so make sure you have time to commit to another position before applying!

## US 2022 Summer Internship Credit Option - Open Now Through 5/13

The Career Center and Summer Sessions proudly announce the start of the application window for the [2022 Independent U.S. Summer Internship Credit Option](#). Currently in its 9th year, this program provides a means for enrolled undergraduate students to earn academic credit for domestic internships that they obtained on their own. This option is especially valuable to those who have already secured a summer internship and are interested in one or more of the following (especially undeclared students who may have fewer options):

- Seeking additional credits to maintain full-time student status, graduate on time, or for financial aid
- Reflecting upon their internship experiences in a structured manner through assignments and readings

Students who are approved by the Career Center will receive the course control number for the 3-unit, online course offered during summer session. Remote internships based in the U.S. are eligible for consideration.

**Application deadline:** May 13, 2022
