Student Volunteer Opportunity with Wright Institute PsyD Candidate

Kellie Nissen is a clinical psychology doctoral student at the Wright Institute in Berkeley. Kellie’s study is exploring the psychospiritual impacts of those who survived the 2017 Tubbs Fire and the phenomenon of ecological grief. There will be about 8-15 qualitative interviews in the coming weeks.

Any undergraduate psychology students looking for more research experience and would be willing to assist with Kellie’s study (particularly in transcribing, coding, and analyzing the data) should contact Kellie at this email (knissen@wi.edu) or by cell (860-878-0350).

Artists & Translators Needed for “I Am Berkeley” Social Media Campaign

OUA is seeking artists to create digital art as part of a social media post to welcome the newly admitted class.

The post will be centered on "I Am Berkeley" in various languages and all art must include that phrase. OUA is looking for art about the UC Berkeley experience. What do you love about Berkeley? It can be any inspired by anything that connects to Berkeley (classes, monuments, buildings, activities, activism, a certain spot on campus, a collage of fun memories, etc). Be creative and let us see what Berkeley means to you!

Anyone who is interested should go to this form (https://docs.google.com/forms/d/1fR1JCCtHJDC-YCgd_a4wYO20s8sauEUzIqyFGrWzU2E/edit?gxids=7628) to see more details and learn how to submit artwork. If you have any questions about this project, contact Mikey at mikeyanavarro@gmail.com (Admissions Social Media Coordinator).

Additionally, we are seeking translations of "I Am Berkeley" in the following languages (and any others):

- Spanish, Bengali, Mandarin Chinese, Ohlone, Sign Language, Telugu, Dutch, French, Vietnamese, Greek, Hawaiian, Hindi, Indonesian, Iranian Persian, Japanese, Korean, Marathi, Portuguese, Russian, Standard Arabic, German, Swahili, Swedish, Tamil, Thai, Turkish, Urdu, Western Punjabi, Wu Chinese, Yue Chinese
If you or someone you know is fluent in any of these languages and would like to provide a translation, please contact Stefan Montouth: smontouth@berkeley.edu

DreamSF Fellowship, 4/14

Good evening friends and community partners,

We’re proud to announce that the DreamSF Fellowship is now recruiting for our 2021-2022 cohort! Please visit dreamsffellows.org to apply!

WHAT YOU NEED TO KNOW

The DreamSF Fellowship is a six month or year-long leadership and professional development opportunity for immigrant students and aspiring professionals (ages 18+) who seek to be social justice change-makers in the San Francisco Bay Area. Fellows are paired with local immigrant-serving community organizations and gain hands-on experience in direct services, advocacy, and immigration law careers, all while growing a network of mentors.

All qualified applicants are encouraged to apply! For program and application details visit dreamsffellows.org

APPLICATION DEADLINE IS APRIL 14TH, 2021

Apply here

Independent U.S. Summer Internship Credit Option, 5/7

Now in its 8th year, the Career Center and Summer Sessions are excited to once again offer a summer internship credit option for undergrads. The Independent U.S. Summer Internship Credit Option is intended to offer a solution to enrolled undergraduate students needing to get academic credit for their domestic internships during the summer.

This option may appeal to students who have already secured a summer internship and:
Internship and Volunteering Opportunities: Week of March 29, 2021

- need or want to receive academic credit for their internships (especially undeclared students)
- want to reflect upon their internship experiences in a structured manner through assignments and readings

Students who are approved by the Career Center will receive the course control number for the 3-unit online course offered during summer session. Remote internships based in the US are eligible for consideration.

Application deadline: May 7, 2021

For more details and to apply, visit: https://career.berkeley.edu/Internships/AcadCreditSummer

Casa de Esperanza Internship Program, year-round apps

Casa de Esperanza, a non-profit in Houston, Texas, provides residential care to children birth through six who are in crisis due to abuse, neglect, or the effects of HIV. Care is provided in our neighborhood by our Hands of Hope interns. Our interns, most of whom are recent college graduates, join us for a year of service (a twelve-month full-time post-graduation internship). Applicants wishing to complete shorter internships are considered on a case by case basis. We provide on-site housing (interns live with the children they are caring for) and interns join us from all over the United States to be part of our internship program.

Information about our internship may be found here:
https://www.casahope.org/hands-of-hope-internship
The application for our internship may be found here:
https://www.casahope.org/application-part-one
Interns in our program gain valuable experience that is relevant to a number of fields and future career goals while simultaneously making a meaningful difference in the lives of a vulnerable. We will have groups joining us in January, June, and August of 2021.

Want to make a difference in the lives of young children?
Casa de Esperanza seeks applicants for the Hands of Hope Service Year Program. Casa de Esperanza provides residential foster care to children ages birth through six who are in crisis due to abuse, neglect or the effects of HIV. For a complete description visit:
https://www.casahope.org/hands-of-hope-service-year-1. Our application can be found at:
https://www.casahope.org/application-part-one
Internship and Volunteering Opportunities: Week of March 29, 2021

For more information, please contact Darean Talmadge 713-529-0639
dtalmadge@casahope.org

SERVICE YEAR OPPORTUNITY FOR GRADUATING SENIORS

Are you or someone you know looking for a service-year opportunity working directly with young children? Apply today!

UCSF THRIVE Lab Volunteer Opportunities

UCSF Lab Seeking Volunteer Research Assistants

LAB DIRECTOR
Aoife O'Donovan, Ph.D.

LOCATIONS
• UCSF
• San Francisco VA Medical Center

REQUIRED QUALIFICATIONS
• Strong academic performance, ideally in psychology, biology, immunology, computer science
• Ability to work two full days (or four half days) each week (9am-5pm PST, M-F)
• One-year commitment
• Understanding of basic research methods (previous exposure of a Research Methods course)
• Ability to function effectively in a dynamic workplace (tasks vary frequently)
• Excellent interpersonal skills
• Ability to work independently
• Interest in learning more about traumatic stress and/or psychoneuroimmunology

DESIRED QUALIFICATIONS
• Knowledge of computer languages or analytic programs (e.g., Python, R, SPSS, Stats)

REQUIRED APPLICATION MATERIALS
• Cover letter
• CV/Resume
• Most recent academic transcript (unofficial copies are accepted)

Looking for an exciting research experience before medical or graduate school? The THRIVE (Trauma and Health Research on Immunity, Vitality and Emotions) Lab is hiring. We’re focused on revealing how psychological stress drives the development of mental and physical disorders like PTSD.

Volunteer Research Assistants will work for one year assisting with any research studies (e.g., screening or running patients), conducting literature reviews, developing protocols, and more!

Please check out our website to learn more about our research at odonovanlab.ucsf.edu

For a more complete job description or to submit materials, email ucsfthrive.lab@gmail.com.
Applications are reviewed on a rolling basis.
Photoshop Tutor Opportunity

Tech support needed!

Looking for an individual that is familiar with Mac and is proficient in Adobe Creative Cloud programs like Photoshop. Flexible schedule (fits to whatever works best for your schedule), virtual help that is compensated ($20/hour). Low time commitment weekly (2-3 hours). Experience working with neurodiverse population preferred, but not required! If interested, please contact aliciageng@berkeley.edu. Thank you!
UCSF Substance Abuse Volunteer RA

Volunteer Research / Office Assistant Positions
University of California, San Francisco
at Zuckerberg San Francisco General Hospital

We at the UCSF Substance Abuse Research Program are seeking highly motivated volunteers to help out with administrative and research-related assignments in the area of substance use disorders and addictions treatment and services. This is an excellent opportunity for those seeking experience in a research setting. Volunteers may have an opportunity to work with research investigators, postdoctoral fellows, other research personnel, and potentially research participants.

Volunteer Research Assistants will assist with the following various projects depending on their level of experience and aptitude:

1. Observation and assistance of research protocol implementation
2. Observe/learn the development, revision, & management of research participant databases
3. Assist with program and participant recruitment materials
4. Potential to assist with screening and recruitment of research subjects
5. Potential interface and primary data collection with research participants
6. Assist with filing and completion of research paperwork
7. "Closing out" completed research projects
8. Tracking publications and generating references
9. Creating and formatting presentations, letters, tables, charts, graphs, etc.
10. Participating in ad hoc projects as assigned

Volunteers must possess the following attributes:

(a) Team oriented and enthusiastic
(b) Empathic and good interpersonal skills
(c) Proactive and able to work independently
(d) Committed to following up with research responsibilities
(e) Proficient in the use of Excel, Word, and PowerPoint
(f) Excellent oral and written communication
(g) Attentive to detail

We are looking for seniors, recent college graduates, and post-bacs considering future careers in clinical research. This would be the perfect opportunity for those planning on taking a year or two off between graduation and medical or graduate school.

For more information, please visit the website below:
https://psych.ucsf.edu/research/programs/substanceabuse

If interested, please send your resume and cover letter to Jaime Smith at ast2dir@ucsf.edu. Additionally, please indicate your weekly availability and provide an estimate of how long of a commitment you would be willing to make.
TA-DA! Language Productions Internship

A hardworking, creative, outside-the-box thinker with an infectious POSITIVE ATTITUDE and smile - and seeking a unique internship experience with lots of real-world experience and networking ops?

We are TA-DA! Language Productions - a Silicon Valley/Luxembourg startup on the heels of greatness!

We innovate ‘paper tech’ - allowing the touch of a little finger to render normal paper responsive - like an iPad, yet with no screen! This in particular allows young children to learn (no matter what they may have access to at home) at the optimal age for language learning - which so happens to be the age most dangerous for screen usage.

TA-DA! Is brought to you by the very best in their fields, including industry execs, teachers/professors, and Oscar and Grammy winners. (One of the TA-DA! Co-founders was just nominated for both Classical Music Producer of the Year AND best Classical Album of the Year by the Grammys.) One of our Advisors is the #1 Children’s Educational App maker of codeSpark, which has more than 30 million users. Our other key advisor is a legend in Publishing - the individual who took the publishing industry digital, worldwide.

We currently seek interns in the following domains:
- native speakers of world languages, particularly (but not limited to):
  French
  Mandarin
  Spanish (various dialects)
  German
  Hebrew
  Hindi
  Japanese
  Korean
  Portuguese
  - students of language
  - students of education
  - students of cognitive psych
  - students of marketing/PR
  - Graphic Design
Internship and Volunteering Opportunities: Week of March 29, 2021

- Web Design web
- Animation/illustration
- Sound engineering

Time commitment:
We require as little as 5 hours per week - unless your school requires specific conditions, which we of curse adhere to.

Compensation:
We are bootstrapping, and currently fundraising, so like every TA-DA! core team member, no one is paid just yet, but we aspire for that to change very soon! Our first products go to market in February.

Please email our CEO Michelle Glorieux directly at Michelle@tadalp.com.

There is no specific deadline to apply.

Creative Research Challenge: Volunteer Mentors in Psychology Needed

Creative Research Challenge (CRC) is a program for community college students to conduct independent social sciences research around an annual theme—Covid-19 for 2021. We are looking for experienced student researchers at Cal from Psychology, Sociology, Political Science, and Economics to be mentors for community college researchers in the Spring semester. As a mentor, you can set up office hours based on your schedule (min 2 hours/wk) for 3 weeks in the spring quarter (Late-March to Mid-April) to help them with their research.

If you are interested in this opportunity, please contact UC Berkeley student Jay Zhao at: jay.zhao@berkeley.edu

Stanford Pre-Renal Initiative: Funded Summer Research Experience

10 Week NIH-sponsored undergraduate training program
  - Come learn about all the great work of the kidneys
Internship and Volunteering Opportunities: Week of March 29, 2021

- Do clinical and basic research under the mentorship of some of the top nephrologists and urologists in the US

We are funded to support 6-8 students for a summer research and didactic experience. Students will participate in a basic or clinical research project in nephrology, urology, or stem cell biology for 10 weeks and then join the larger network of funded trainees across the country for a symposium to present their work. We are funded at least for the next five summers, and will likely pivot to a virtual experience for summer 2021. We are also committed to support trainees underrepresented in medicine.

Now accepting applications for Summer 2021: http://prerenal.stanford.edu
