Chicago Booth Full-time RA position with Professor Hitsch

Professor Günter J. Hitsch is hiring a full-time research assistant to start around July 1, 2020. This full-time RA will be working on projects at the boundary between Business Analytics/Quantitative Marketing and Industrial Organization. This position has been an
excellent preparation for PhD programs, with previous participants going on to institutions like MIT, Harvard, Berkeley, Stanford, and UChicago.

If interested in working with Professor Hitsch for a year, or, preferably, two years before applying to graduate school, a job description with information on how to apply can be found at http://bit.ly/Hitsch2019

Research assistant position

Position Definition:
Researchers from the San Francisco VA Medical Center; Northern California Institute for Research and Education (NCIRE); and University of California, San Francisco are conducting several research studies in trauma survivors with posttraumatic stress disorder (PTSD) and insomnia involving psychophysiological and sleep measurement. The incumbent will assist in study coordination and recruitment for these multiple research projects related to PTSD. The lab is seeking at least a 2-year commitment for this position. This is a full-time position with potential to work on collaborative projects within subject areas of sleep disorders and PTSD. Salary will be commensurate with education and relevant experience.

Essential Functions:
- Manage subject recruitment, screening, enrollment, subject tracking, scheduling, correspondence, appointment reminders as well as coordinate subject payments
- Conduct telephone screening interviews on psychiatric and medical symptomatology with participants to pre assess for study eligibility
- Act as liaison with the multidisciplinary study team (e.g., clinical interviewer, physician, laboratory) in determining study eligibility, coordinating study procedures, and ensuring adherence to study protocol
- Coordinate all aspects of data management, including entry and verification
- Processing sleep and psychophysiology data
- Program and maintain psychology/psychophysiology experiments and related hardware and software
- Prepare and manage Institutional Review Board Documentation and other Regulatory Documents
- Manage shipment of biological samples to offsite laboratory, sample tracking, correspondence with laboratories
- Perform other duties as assigned

Job Requirements:
- BA or BS in psychology or related field
● 1-2 years previous experience in human subjects research
● Ability and experience in conducting and coordinating psychological research studies, including recruitment and tracking of participants, data entry and management using database software (e.g., Excel, Access), analyzing and interpreting patient medical and psychiatric records
● Ability to communicate with individuals of varying educational and social backgrounds about potentially sensitive issues. Prior experience in a mental health setting is preferred
● Prior experience in psychophysiology measurement, experience using Biopac or similar equipment is strongly preferred but not necessary
● Computer literacy with emphasis on Windows operating systems and psychology software applications (e.g., AcqKnowledge, Inquisit, SuperLab, Qualtrics)
● Experience preparing and managing Institutional Review Board (IRB) submissions and other regulatory documentation is preferred but not necessary
● Prior experience collecting, organizing, and shipping biological samples is preferred. Familiarity with Freezerworks or other biological sample software is not necessary but would confer an advantage
● Excellent interpersonal, written and oral communication skills
● Must be highly organized and detail oriented
● Ability to work under minimal supervision and problem solve

Casa de Esperanza Internship Program

I am with Casa de Esperanza, a non-profit in Houston, Texas. Casa de Esperanza provides residential care to children birth through six who are in crisis due to abuse, neglect, or the effects of HIV. Care is provided in our neighborhood by our Hands of Hope interns. Our interns, most of whom are recent college graduates, join us for a year of service (a twelve-month full-time post-graduation internship). Applicants wishing to complete shorter internships are considered on a case by case basis. We provide on-site housing (interns live with the children they are caring for) and interns join us from all over the United States to be part of our internship program.

Information about our internship may be found here: https://www.casahope.org/hands-of-hope-internship
The application for our internship may be found here: https://www.casahope.org/application-part-one
Interns in our program gain valuable experience that is relevant to a number of fields and future career goals while simultaneously making a meaningful difference in the lives of a vulnerable

**Do the Bay Summer Internships**

Love being on the guest list?
All about the local music, events, and nightlife scenes?
We want you to join DoTheBay!

If you're looking to gain invaluable real-world media and music industry experience, you’ve come to the right place. Are you energetic, smart, organized, reliable, creative, and love being the leader of your group (i.e. a magical unicorn)? We want you to join the DoTheBay Team!

We're currently looking for interns to assist in the following fields -- bonus points if you can contribute in multiple areas:

- **Content:** front and back-end site management, event creation, content curation, analytics, etc. Someone who is in the know of what's going on every week around the SF Bay Area and is also tech-savvy.
- **Social Media:** Marketing and communication backgrounds and/or previous experience running social media for a business/brand/organization preferred. Bonus points if you're interested in social analytics and are on the pulse of all things happening locally.
- **Editorial:** Journalism backgrounds and/or previous experience writing short-form editorial for a business/brand/organization preferred. Looking for funny, witty writers who have their own unique style but can also write within DoTheBay's voice. You should be on the pulse of all things happening locally, but also excited to take a deeper dive into one or more fields including: music, food and drink, local news and culture, etc.
- **Sales & Business Development:** Business and marketing backgrounds with some level of real-world sales experience preferred.

Skills we’re looking for: Detail-oriented, comfortable writing quickly and creatively, reliable, and down to party. We are serious about the last one.

Bonus points if you have skills in: HTML, CSS, Photoshop, Illustrator, Premier, Photo, Video and/or overall tech-savviness.

Double bonus points if you're all about live music, going to events, and enjoying all that the SF Bay Area has to offer.
Sound like something you're interested in? Great. We can't wait to meet you. Email the following
to info@dothebay.com

- Résumé
- Cover letter
- Portfolio and/or relevant examples of past work
- Social media links (optional)
- Which position you're applying for

Camp Baker: Psychology Trainees Wanted!

Camp Baker is now accepting psychology trainees for a fun opportunity to gain direct service hours over the summer

Have your summer classes been cancelled? Are your summer internships no longer happening? Do you need something to do?

Apply to be a counselor at Camp Baker!

Camp Baker at Judge Baker Children’s Center currently has graduate-level and undergraduate-level summer training positions available. Camp Baker is a therapeutic summer program based off of the Summer Treatment Program (STP) and is specifically designed for 6-12 year old children with ADHD. The STP has positive effects on the serious behavioral, social, and academic difficulties exhibited by children diagnosed with ADHD.

Camp Baker is currently accepting applications for three roles: 1) Graduate Counselor, 2) Undergraduate Counselor, and 3) Teaching Assistant. Please visit our website for a detailed description of roles and responsibilities for each position:
https://campbaker.org/training-opportunities/

All aspects of the training program are supervised by a licensed clinical psychologist. Trainees typically gain over 200 hours of experience providing treatment directly to children. Opportunities for participating in behavioral parent training groups are also available.

Trainees complete a week-long training prior to the start of treatment and receive ongoing supervision. Training begins Wednesday, July 1, 2019 with the July 4th holiday off. Camp Baker runs from Wednesday, July 8th and continues through Friday, August 14th, 2020. The stipend for graduate-level positions is $2,500 and the stipend for undergraduate-level positions is $1,000.

Wright Institute Student Transcribers Needed

Hello, my name is Clare Farrington and I am a psychology doctoral student at the Wright Institute. I am completing my dissertation on social media and friendship and am looking for two students to help me transcribe my focus groups. There may also be an opportunity to participate in the data analysis and validation. The focus groups were approximately two hours in length and recorded on Zoom. Please email me at cfarrington@wi.edu if you are interested!
