Whitney Lab Paid Undergraduate Position Available

The Whitney Laboratory for Perception and Action (https://whitneylab.berkeley.edu/) is looking for a capable undergraduate to serve as a part-time lab manager.

This is a paid position with duties that include maintaining the lab’s Institutional Review Board protocols, tracking subject payments & consent forms, filing reimbursements, scheduling lab meetings, planning lab events, taking care of lab equipment, organizing outreach opportunities, managing the lab website, updating grant-related forms, and attending to some other administrative needs. The manager is necessary for supporting day to day operations in the lab and is expected to work in-person, once campus health conditions allow. This role requires working cross functionally with lab members, professors, department staff, and various other university entities.

Strong candidates will have keen organizational and communication skills along with a willingness to support lab members and their cutting-edge research. The successful candidate will also have the unique opportunity to collaborate on research projects and have a front row seat in a variety of research activities.

The position is approximately 10-20 hours per week, but the number and timing of those hours is flexible. Please email Cristina Ghirardo at cghirardo@berkeley.edu for more information.

Work-Study Positions Open at CSCCE

The Center for the Study of Child Care Employment is hiring student assistants through the work-study program, and summer hours are available. Apply today.

Part-Time Lab Manager: BELL at UCB

Hiring Part-Time Lab Manager: Berkeley Early Learning Lab directed by Professor Fei Xu, Psychology, UC Berkeley

We are looking for motivated undergraduates for a part-time Lab Manager position (12-15 hours a week) starting in mid-July/August. The position entails recruiting and scheduling participants for our studies (ages 6 months to 12 years), testing child participants, coding data, overseeing undergraduate research assistants, and maintaining the ongoing smooth functioning of the lab. Applicants should be very motivated, highly organized, enjoy interacting with parents and young
children, and get along well with graduate students, undergraduates and post-docs in a cooperative group situation.

Qualifications

- Previous research experience and previous experience working with children
- Proficiency with Microsoft Office (Word, Excel, Powerpoint)
- Excellent writing, verbal communication, and organizational skills that are essential for interacting with parents, researchers, and department administrators

Please contact Gwyneth Heuser (babylab@berkeley.edu) and Prof. Fei Xu by email (fei_xu@berkeley.edu) if you are interested in the position (cc both in one email). Please include a cover letter and CV. CV must include at least 2 references that can be contacted. Applications will be reviewed within the next couple of weeks, and applications will be received until the position is filled.
