AAPIC General Wellness Guide Resources

Here is the [AAPIC Wellness Guide 2021](#).

It is one of many products from the AAPISC, led by Lisa Hirai Tsuchitani and Marcia Gee Riley. AAPISC is an inaugural advisory body to the Chancellor and her Cabinet under the executive sponsorship of VCEI Oscar Dubón that was created in 2019 to increase awareness about and address campus climate issues for AAPIC undergraduate and graduate students, staff, and faculty:

Student Adobe Creative Cloud License, 8/12

Starting tomorrow (Aug. 12) at 8 a.m., students will be able to request a free Adobe Creative Cloud license for Fall 2021. On Sunday, Aug. 15, pre-existing student licenses will be deactivated and only licenses requested through the new process will be active.

Key points to support this change:

1. Students do not need to buy Adobe Creative Cloud apps - students who attempt to login to Adobe apps after Aug. 15 without requesting a license will see options to “Try” or “Buy” products from Adobe. Students need to go to the [Adobe Software](#) page to request their free license.
2. Two-hour wait time after requests are made - due to API limitations, it can take up to two hours after a request has been made before students see their license in Adobe. Students can check the status of their license plan by logging into their account via the web at: <https://account.adobe.com/plans>
3. Service Now has a shopping cart - students will be using a Service Now request form to “Order” their Adobe license. There is No Charge to students for ordering a license through the shopping cart.

On the Adobe Software page is a [Step-by-Step Adobe Installation Guide for Students](#)

For more information about this change, view the [Emergency Funding Approved for Student Access to Software](#) news article.
