CaHPSA Recruitment, 8/26 - 9/17

CaHPSA is a health advocacy club looking to promote universal healthcare and other issues in healthcare through our two committees: Project White Coat and Health Alerts. Project White Coat is an opportunity for students to work to become registered insurance counselors who can
then advise and help community members sign up for health insurance. Health Alerts is a committee more focused on the policy, political, and legal side of healthcare, with members advocating for issues in healthcare by contacting representatives, learning more about the Affordable Care Act and other important pieces of America’s healthcare system, developing resources that can be used to educate the community, and much more. More information about our organization and recruitment can be found on our website: [cahpsa.berkeley.edu](http://cahpsa.berkeley.edu). Feel free to follow us on Facebook (CaHPSA Berkeley) and Instagram (@cahpsaberkeley) or feel free to email us at [cahpsa.berkeley@gmail.com](mailto:cahpsa.berkeley@gmail.com).

**La Red de Apoyo Mentoring Program, 8/27**

My name is Victoria Juárez and I work with the [Latinx Center of Excellence in Behavioral Health (LCOEBH) at Berkeley Social Welfare](http://latinx-center.org). I am writing in hopes that you will help me spread the word about our mentoring program for undergraduate students interested in pursuing a Master of Social Welfare and/or are interested in the field of social work. Our mentoring program, La Red de Apoyo, pairs Latinx UCB undergrads with current Latinx MSW students for the academic year. Though our focus is on Latinx students, anyone can apply and be paired with a mentor.
Our mentors come from strong and diverse backgrounds and we would love to connect them with Latinx undergraduate students. We ask that interested students (mentees) submit an application by Friday, August 27th.

Application link can be found here >> La Red de Apoyo Mentoring Program 2021-2022 Facebook post for distribution

They can email us at swlatinx@berkeley.edu with any questions.
La Red de Apoyo Mentoring Program 2021-2022

**UCDC, 9/16**

The UC Washington Program (UCDC) will resume in-person programming for the fall 2021 semester. Students from across the University of California will live and take classes at the UC Washington Center and intern at agencies, offices, and organizations across the greater DC area. In order to ensure the safety of all participants, UCDC will operate at half capacity. The student cohort from Berkeley will be made up of 20 juniors and seniors from a range of majors and interests, including climate change, immigration, health care policy, journalism, art history, and others.

For students interested in learning more about UCDC, please follow this link. Email with any questions or to set up an advising appointment.

The application deadline for the Spring 2022 semester is September 16, 2021.

**UJPB Call For Submissions, 9/26**

We are now accepting submissions for the Undergraduate Journal of Psychology at Berkeley’s 2022 issue! Rolling submissions are accepted until September 26th, 2021.

UJPB accepts and reviews original undergraduate research from all psychology-related fields, including psychology, neuroscience, cognitive science, and linguistics. This includes senior honors theses, course term papers, independent research projects, and literature reviews. Multiple submissions from the same author, as well as multi-university collaborations, are welcome!

This is a great opportunity for Psychology students who have recently taken Psychology 101 and have a paper already written for submission.

Please follow the link at the bottom of the page to submit your article.

To submit an article for review, please fill out this form: https://forms.gle/ouymiPVEPw7RyV9n8

For additional inquiries, please email team@ujpb.berkeley.edu or visit our website at UJPB | Home (berkeley.edu).
If you have interest in becoming an editor for UJPB, please find us on the Decal page.

Cal Poly MS in Psychology
Applications Now Being Accepted

MASTERS OF SCIENCE IN PSYCHOLOGY
The Master of Science (M.S.) in Psychology at Cal Poly San Luis Obispo is a 90-quarter unit professional degree program that fulfills the educational requirements for the state of California’s Marriage and Family Therapist (MFT) license. The program’s mission is to provide the state of California with highly competent masters-level clinicians trained to counsel individuals, couples, families, and groups in a multicultural society.

Skills Learned
GAIN expertise in assessment, diagnosis, and treatment with individuals, couples, families, groups, and children.
ACQUIRE personal, academic, and practical knowledge of concepts, theories, and applications of Counseling and Psychotherapy.
LEARN from diverse and experienced practitioners and scholars in the field.
SERVE clients from the community and develop skills and confidence during supervised clinical traineeships and in our on-campus practicum training clinic, San Luis Obispo Counseling Service.

Career Prospects
Graduates of the M.S. in Psychology Program find career opportunities in public service agencies, such as County Mental Health and Department of Social Services, as well as in private non-profit and private practice counseling centers. About 15% of graduates also pursue doctoral studies in Clinical or Counseling Psychology.

Admission Requirements - APPLY NOW
TO APPLY: Go to: psycd.calpoly.edu/graduate/application-information for instructions on how to apply to our program via Cal State Apply (calstate.edu/apply). Applicants must possess a bachelor’s degree from an accredited institution with a minimum GPA of 3.0. Accepted applicants will be required to have completed courses in Research Methods in Psychology (or related field), Introductory Statistics, Personality Theory, Abnormal Psychology (Psychopathology), and Lifespan Development (Developmental Psychology). Applicants are required to submit an application including a personal statement, three letters of recommendation and official transcripts to Cal State Apply. Applications for Fall 2022 must be submitted on-line by January 9, 2022.
1:54 Autism Spectrum Disorder DeCal

1:54 Autism Spectrum Disorder DeCal class is back for fall 2021.

Enroll through Cal Central: CCN 23111
Tue 5-7pm, SOCS 60. Start Date 9/7/21
1 Unit P/NP
Contact: SpectrumDeCal@gmail.com, harisri@berkeley.edu

- The only Decal to be featured on a US President’s Instagram, this Decal covers both myriad critical issues in autism as well as issues that range the lifespan.
- This is a low-stress, low academic workload, but super informative decal that will enrich your understanding of autism. Past students have given rave reviews.
- Class Structure: The first hour is a combination of short lecture topic, student presentations and group discussion. The 2nd hour features a speaker or a panel covering different areas.
- This is a Pass/No Pass 1 unit DeCal. 70% is needed for a pass.
- Assignments: There is a student midterm paper, a final reflection as well as a final group project which students have enjoyed doing.

What past students have said:
- This course has been one of the most eye-opening courses I have taken so far.
- This was the first class discussing disability studies that I’ve taken, and I loved it. I loved how so many facets of autism were covered. I loved the guest speakers, and the fact that autistic voices really shaped this class. The DeCal format made it so that the class was casual in the sense that there was less pressure on grades. Instead, there was emphasis on building community and providing space for discussion, led by facilitators who were knowledgeable, kind, and enthusiastic about the subject matter...Thank you for all of your hard work putting on one of the most memorable classes I will take at Cal.
