Global Poverty & Practice Minor Info Sessions, 9/9 - 10/1

Cal Students,

We invite you to learn about the Global Poverty & Practice Minor!

The GPP Minor introduces students to the theoretical frameworks, methods, and practical skills necessary to engage with global poverty and inequality in effective ways.

The minor requires five courses and a "Practice Experience." This experience is a central component of the minor in which students partner with domestic or international
non-governmental or community organizations, government agencies, or other poverty or development programs, on various dimensions of poverty action – from food security and sustainable technologies to economic justice and grass-roots political power. The combination of the coursework for the minor and this real world experience allows students to connect theories and practices of poverty action. Funding is available to support students’ practice experiences.

The deadline to declare the minor this semester is Wednesday, October 6th. There are no prerequisites required to declare.

The Declaration Form and additional information about the minor can be found at: http://blumcenter.berkeley.edu/gppminor.

Information Sessions about the minor will be held at the following times:

Wednesday, September 1st, 11am - 12pm (Blum Hall B100 A/B)
Thursday, September 9th, 4 - 5pm (Blum Hall B100 A/B)
Monday, September 13th, 4 - 5pm (Remote)
Wednesday, September 22nd, 12pm - 1pm (Blum Hall B100 A/B)
Friday, October 1st, 11am - 12pm (Remote)

All Info Session details can also be found on the GPP Website.

Contact gppminor@berkeley.edu with any questions.

The goal of the program is to connect UC Berkeley students from across the world during a time when they may not be able to be present physically in the US or on campus, as well as to increase cross-cultural exposure and international learning.
