

## **CURRICULUM VITAE**

Ann M. Kring

### **Education**

Ph.D. State University of New York at Stony Brook, 1991  
M. A. State University of New York at Stony Brook, 1989  
B. S. Ball State University (*summa cum laude*, Honors), 1986

### **Employment and Positions**

Professor of the Graduate School, University of California, Berkeley, 2024 –  
Chair, Department of Psychology, University of California, Berkeley, 2015 – 2020  
Professor, University of California, Berkeley, 2008 – 2024  
Associate Professor, University of California, Berkeley, 2000 – 2008  
Assistant Professor, University of California, Berkeley, 1999  
Associate Professor, Vanderbilt University, 1998  
Assistant Professor, Vanderbilt University, 1991 – 1998  
Intern, Bellevue Hospital Center and Kirby Forensic Psychiatric Center, New York, NY 1990–91

### **Professional Affiliations**

Association for Psychological Science, Fellow in 2005; Board of Directors, 2019-2022; DEI committee 2020-2022  
Society for Research in Psychopathology – President 2013-2014; Executive Board, 2004-2009; Mentorship committee, 2018, 2020; Meeting Host, 2002, 2013; Program Committee Chair, 2004; Program Committee, 1997; Chair, Smadar Levin Award committee, 2007  
Society for Affective Science – President 2017-2018; Executive Board, 2014-2019; Program Committee, 2013-2014;  
International Society for Research on Emotions – Executive Board 2008-11; Program Committee, 2011  
Society for Personality and Social Psychology, Fellow in 2018  
American Psychological Association (1987-2013; 2019-2021)  
Institute for Personality and Social Research, UC Berkeley, member since 1999  
Helen Wills Neuroscience Institute, UC Berkeley, affiliate since 2006

### **Awards and Honors**

Fellow, Society for Experimental Psychologists (2022)  
Fellow, American Association for the Advancement of Science (2021)  
President, Society for Affective Science (2017-2018)  
Fellow, Society for Personality and Social Psychology (2018)  
President, Society for Research in Psychopathology (2013-2014)  
Distinguished Teaching Award 2006-07, Division of Social Sciences UC Berkeley (awarded May, 2008).  
*Joseph P. Zubin Memorial Award* (2006). Award to recognize outstanding contributions to psychopathology research at an early stage of career.  
Fellow, Association for Psychological Science (2005)  
Young Investigator Award NARSAD, Naples, Florida (1997).

### **Journal Articles and Book Chapters**

Kring, A. M., Weittenhiller, L., & Cogan, A.B. (in press). Negative symptom assessment: Clinical ratings and behavioral methods. To appear in D. Kimhy, T.E. Lincoln, and M. Brown (Eds). *Psychosocial Approaches to Negative Symptoms in Psychosis: Science, Theory & Practice*. Oxford University Press.

Kring, A. M. (1992). *The relationship between emotional response and psychophysiological deficits in schizophrenia*. Vanderbilt University Research Council, May - August, 1992, \$7,996.

### **Professional Presentations**

Tkacik, S, Furlan, R., Huque, Z. M., Kring, A. M., Pike, M., Cohn, B., Cirillo, P., Krigbaum, N., Ellman, L. M. (2024, November). The relationship between loneliness, suspiciousness, and perceived stress in mid-to-late adulthood. Poster to be presented at the annual meeting of Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Tkacik, S, Furlan, R., Huque, Z. M., Kring, A. M., Pike, M., Cohn, B., Cirillo, P., Krigbaum, N., Ellman, L. M. (2024, October). The potential mediational role of perceived stress in loneliness and

suspiciousness in mid-to-late adulthood. Poster presented at the annual meeting of Society for Research in Psychopathology, Montreal, CA.

Smith, E. C. Pike, M. R., O'Brien, K. J., Kring, A. M., Cohn, B. A., Cirillo, P., Krigbaum, N. Olino, T. M., Alloy, L. B., & Ellman, L. M. (2024, October). Prenatal maternal inflammation and psychiatric phenotypes in late midlife offspring: A dimensional symptom perspective. Poster presented at the annual meeting of Society for Research in Psychopathology, Montreal, CA.

Hoffman, L. J., Smith, E., Kring, A. M., Breen, E. C., Cohn, B., Cirillo, P., Krigbaum, N., Cogan, A. B., Patwardhan, B., Olson, I. R., & Ellman, L. M. (2024, September) Fetal exposure to higher maternal inflammation is associated with lower memory capacities in late middle life. Poster presented to the annual meeting of the Fetal, Infant, & Toddler Neuroimaging Group (FIT'NG), Baltimore, MD.

Abdourazak, H., Korenic, S. A., Mohyee, R., O'Brien, K. J., Elliott, B. L. Kring, A. M., Olson, I. R., Cohn, B. A., Cirillo, P. M., Krigbaum, N. Y., Olino, T., D'Esposito, M. T., Cogan, A. B., & Ellman, L. M. (2024, May). Associations between sleep duration across development and hippocampal subfield volumes at midlife. Poster presented at the annual meeting of the Society for Biological Psychiatry. Austin, TX.

Patwardhan, B., Koshy, A., Cogan, A. B., Weittenhiller, L. P., Krigbaum, N., Cirillo, P., Cohn, B., Mohyee, R., Olino, T., Ellman, L. M., & Kring, A. M. (2023, September). Mediating role of negative affect in sleep quality, sensory gating, and psychotic experiences. Poster presented at the annual meeting of the Society for Research in Psychopathology, St. Louis, MO.

Moyhee, R., Elliott, B. L., Pike, M., Kring, A., Olson, I., Breen, E., Cohen, B. Cirillo, P., Krigbaum, N., Olino, T., D'Esposito, M., Cogan, A., Patwardhan, B., & Ellman, L. M. (2023, June) Decreased hippocampal neurite density in middle-aged adults following prenatal exposure to maternal inflammation. Poster presented at the annual meeting of the Psychoneuroimmunology Research Society. Boulder, CO.

Moyhee, R., Elliott, B. L., Pike, M., Kring, A., Olson, I., Breen, E., Cohen, B. Cirillo, P., Krigbaum, N., Olino, T., D'Esposito, M., Cogan, A., Patwardhan, B., & Ellman, L. M. (2023, April) Decreased hippocampal neurite density in middle-aged adults following prenatal exposure to maternal inflammation. Poster presented at the annual meeting of the Society of Biological Psychiatry meeting. San Diego, CA.

Cogan, A.B., Weittenhiller, L., Sanchez, A., & Kring, A.M. (2023, April). Psychosocial intervention for negative symptoms in schizophrenia: A case series. Presented at the annual conference of the Western Psychological Association, Riverside, California.

Weittenhiller, L. P. & Kring, A. M. (2023, February). Left out: Responses to social exclusion in schizophrenia spectrum disorders. Poster presented at the annual meeting of the Society for Research in Personality and Social Psychology, Atlanta, GA.

Moyhee, R., Elliott, B. L., Kring, A., Olson, I., D'Esposito, M., Cogan, A., Cohen, B. Cirillo, P., Krigbaum, N., Ellman, L. M. (2022, September). Myelin expression in the subiculum is associated with childhood trauma exposure and stress sensitivity in adults. Poster presented at the annual meeting of the Society for Research in Psychopathology, Philadelphia, PA.

Weittenhiller, L. P. & Kring, A. M. (2022, September). Behavioral responses to social exclusion in people with psychotic disorders. Poster presented at the annual meeting of the Society for Research in Psychopathology, Philadelphia, PA.

Kring, A. M. (2022, April). What gets in the way of social engagement in schizophrenia? **Invited (virtual) presentation** to the Marin County chapter of the National Alliance for Mental Illness, San Rafael, CA.

Kring, A. M. (2021, November). The promises (and pitfalls) of translational affective science for increasing our understanding of schizophrenia. **Invited talk** for the Harvard University Women in Psychology's Trends in Psychology Summit (virtual).

Kring, A. M. (2021, April). Understanding and treating the negative symptoms of schizophrenia: The influence of translational affective science. **Invited Grand Rounds** (virtual) presentation, Icahn School of Medicine at Mt. Sinai.

Weittenhiller, L. P., Mostajabi, J., & Kring, A. M. (2021, April). Coping during the COVID-19 pandemic: Predictors of resiliency and distress in people who experience psychosis. Poster presented (virtually) at the annual meeting of the Society for Affective Science.

Kring, A. M. (2021, March). Translational affective science: The case of schizophrenia. **Invited address** for the Dennis L. Cherlin Memorial Lecture (given virtually), Department of Psychology, Yale

University.

Marks, L., Mote, J., & Kring, A. M. (2020, November). Differences in positive autobiographical memories among people with and without schizophrenia. Poster presented virtually at the annual meeting of the Association for Behavioral and Cognitive Therapy, Philadelphia, PA.

Cogan, A. B., Persons, J., & Kring, A. M. (2020, October). Using the BDI to assess anhedonia: A scale validation study. Poster presented virtually at the annual meeting of the Western Psychological Association meeting, San Francisco, CA.

Kring, A. M. (2019, May). New hope for understanding and treating the negative symptoms of schizophrenia. **Invited presentation** to the Marin County chapter of the National Alliance for Mental Illness, San Rafael, CA.

Khan, A., Strauss, G. P., Umbricht, D., Harvey, P.D., Ulshen, D., Keefe, R.S.E., Kirkpatrick, B., Lindenmayer, J-P., Horan, W. P., Kring, A. M., Blanchard, J. J., Gur, R. E., Gold, J. M. Allen, D. N., & Granholm, E. (2018, October). Evaluation of relations between negative symptoms scales in an IRT framework. Poster presented at the annual meeting of the International Society for CNS Clinical Trials and Methodology. Marina del Rey, California.

Mikhail, M., Gur, J., Roberts, S., & Kring, A. M. (2018, September). A transdiagnostic examination of emotion regulation in daily life. Poster presented at the annual meeting of the Society for Research in Psychopathology, Indianapolis, IN.

Demmin, D., Cherneski, L., Beaudette, D., Barch, D., Carter, C., Gold, J., Johnson, S., Kring, A., MacDonald, A., Ragland, J. D., Strauss, A. & Silverstein, S. (2018, September). Perceptual organization impairments in medicated and unmedicated psychotic spectrum and bipolar disorder patients. Poster presented at the annual meeting of the Society for Research in Psychopathology, Indianapolis, IN.

Kring, A. M. (2018, May). Affective science paved the way for translational research. **Invited presentation** at the annual meeting of the Association for Psychological Science, San Francisco, CA.

Chuang, B., Mote, J., & Kring, A. M. (2018, May). Positive memory recollection in people with and without schizophrenia: A narrative approach. Poster presented at the annual Association for Psychological Science meeting, San Francisco, CA.

Weittenhiller, L., Mikhail, M., & Kring, A. M. (2018, April). Social motivation narratives and anticipatory pleasure in schizophrenia. Poster presented at the annual Society for Affective Science meeting, Los Angeles, CA.

Chuang, B., Mote, J., Delavary, D., Manley, M., & Kring, A. M. (2018, April). Positive memory recollection in people with and without schizophrenia: A narrative approach.

Weittenhiller, L., Mote, J., & Kring, A. M. (2017, September). Social motivation narratives in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Denver, CO.

Chuang, B., Mote, J., Staraci, J., Delavary, D., Botello, R., & Kring, A. M. (2017, September). Incongruent emotion experience in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Denver, CO.

Mote, J., & Kring, A. M. (2017, September). What's in a feeling? Correlates of negative and positive affect in people with and without schizophrenia. Invited flash talk at the annual meeting of the Society for Research in Psychopathology, Denver, CO.

Mote, J. & Kring, A. M. (2017, April). Targeting incongruent emotion experience in schizophrenia. Poster presented at the annual Society for Affective Science meeting, Boston, MA.

Mikhail, M. & Kring, A. M. (2017, April). In on the joke: Teasing in girls with and without ADHD. Poster presented at the annual Society for Affective Science meeting, Boston, MA.

Mote, J. & Kring, A. M. (2017, March). Targeting incongruent emotion experience in schizophrenia. Poster presented at the International Congress on Schizophrenia Research, San Diego, CA.

Lesh, T. A., Skymba, H., Kring, A. M., Luck, S. J., Mangun, G.R., Niendam, T., Ragland, J. D., Ranganath, C., Solomon, M., Swaab, T. & Carter, C. S. (2016, December). Intact emotion processing in the context of reduced prefrontal engagement. ACNP, Hollywood, FL.

Kring, A. M. (2016, September). Letting go of old habits and embracing new ones. Paper presented at the annual meeting of the Society for Research in Psychopathology, Baltimore, MD.

Skymba, J., Lesh, T. A., Kring, A. M., Luck, S. J., Mangun, G.R., Niendam, T., Ragland, J. D., Ranganath, C., Solomon, M., Swaab, T. & Carter, C. S. (2016, September) Intact emotion processing in the context of reduced prefrontal engagement. Poster presented at the annual meeting of the Society for Research in Psychopathology, Baltimore, MD.

Mote, J. & Kring, A. M. (2016, September). Targeting incongruent emotion experience in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Baltimore, MD.

Sanchez, A., Kotov, R., & Kring, A. M. (2016, September). Confirmatory factor analysis of the CAINS in people with psychosis. Poster presented at the annual meeting of the Society for Research in Psychopathology, Baltimore, MD.

Mote, J., Peckham, A. D., Painter, J. M., Lee, E. H., Campellone, T. R., Kring, A. M., Johnson, S. L., & Moskowitz, J. T. (2016, March). Can calm prevent the storm? Feasibility and efficacy of the Laurel program: A new intervention to increase healthy positive affect in bipolar 1 disorder. Flash Talk presented at the annual meeting of the Society for Affective Science, Chicago, IL.

Elis, O. & Kring, A. M. (2016, March). Step by S-TEPS: Construction the Social Temporal Experience of Pleasure Scales (S-TEPS). Poster presented at the annual meeting of the Society for Affective Science, Chicago, IL.

Elis, O. & Kring (2016, March). Wait for it...An fMRI study parsing anticipation. Poster presented at the annual meeting of the Society for Affective Science, Chicago, IL.

Sanchez, A. H. & Kring, A. M. (2016, March). With a little help from my friends? The effect of social support during threat on effort-based decision making. Poster presented at the annual meeting of the Society for Affective Science, Chicago, IL.

Kring, A. M. (2016, March). Toward an understanding of emotion deficits in schizophrenia: Translational science in action. Grand Rounds presented at Highland Hospital.

Peckham, A.D., Mote, J., Painter, J.M., Lee, E.H., Campellone, T.R., Kring, A.M., Johnson, S.L., & Moskowitz, J.T. (2015, November). A new intervention to increase healthy positive affect in bipolar I disorder: Feasibility and efficacy of the LAUREL program. In J. Mote (Chair) symposium entitled, *Once More, With Feeling: Novel Psychosocial Interventions Informed by Basic Affective Science* at the annual meeting of Association for Behavioral and Cognitive Therapies, Chicago, IL.

Sanchez, A., Campellone, T., & Kring, A. M. (2015, October). Defeatist performance beliefs, negative symptoms and functional outcome in schizophrenia: A meta-analysis. Poster presented at the annual meeting of the Society for Research in Psychopathology, New Orleans, LA.

Moran, E. K., Painter, J. M., Campellone, T., Mote, J., & Kring, A. M. (2015, October). Anticipating the future: The time course of emotion in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, New Orleans, LA.

Mote, J. & Kring, A. M. (2015, October). The relationship between positive social interactions, negative symptoms, and goal-directed behavior in people with and without schizotypal personality traits. Poster presented at the annual meeting of the Society for Research in Psychopathology, New Orleans, LA.

Elis, O., Campellone, T., Clark, D., & Kring, A. M. (2015, October). The Social Temporal Experience of Pleasure Scales (S-TEPS). Poster presented at the annual meeting of the Society for Research in Psychopathology, New Orleans, LA.

Kring, A. M. (2015, August). Lessons Learned from Translating Affect Science Research and Theory to Schizophrenia. **Invited presentation** as part of the Spielberger EMPathy symposium, American Psychological Association, Toronto, CA.

Kring, A. M. (2014, October). Schizophrenia and the emotional brain. **Invited presentation**, Brain Circuits for Positive Emotions conference, Ascona, Switzerland.

Kring, A. M. (2014, October). Lessons learned from translating affective science to the study of schizophrenia. **Invited Presentation** to Temple University, Department of Psychology, Philadelphia, PA.

Kring, A. M. (2014, September). What have we learned about emotion deficits in schizophrenia? **Presidential Address**, Society for Research in Psychopathology, Evanston, IL.

Mote, J., Campellone, T. R., Elis, O., Sanchez, A. H., & Kring, A. M. (2014, September). Negative symptoms, social skills, anticipatory pleasure, and emotion regulation in people high and low in schizotypal

personality traits. Poster presented at the annual meeting of the Society for Research in Psychopathology Evanston, IL.

Painter, J. M., Stellar, J., Moran, E. K., & Kring, A. M. (2014, September). Emotion regulation abilities in people with and without schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Evanston, IL.

Reddy, F., Green, M. F., Rizzo, S., Sugar, C. A., Blanchard, J. J., Gur, R. E., Kring, A. M., & Horan, W. P. (2014, September). Behavioral inhibition and activation systems in schizophrenia: An evaluation of motivational profiles. Poster presented at the annual meeting of the Society for Research in Psychopathology.

Sanchez, A., Campellone, T., & Kring, A. M. (2014, May). To emote or not to emote: The Influence of Social Context on Emotional Experience and Expression. Poster presented at the annual meeting of the Association for Psychological Science.

Caponigro, J. M., Stellar, J., Moran, E. K., & Kring, A. M. (2014, April). Emotion regulation abilities in people with and without schizophrenia. Poster presented at the inaugural meeting of the Society for Affective Science, Bethesda, MD.

Campellone, T. R., Caponigro J. M., Mote, J., & Kring, A. M. (2014, April). Deficits in the use of positive, but not negative emotional displays to inform anticipated pleasure from social interactions in schizophrenia. Poster presented at the inaugural meeting of the Society for Affective Science, Bethesda, MD.

Mote, J., Stuart, B. K., Caponigro, J. M., Campellone, T. R., Moran, E. K., Kennedy, A., & Kring, A. M. (2014, April). Telling, but not showing: Intact emotion experience but diminished facial expressivity in men and women with schizophrenia. Poster presented at the inaugural meeting of the Society for Affective Science, Bethesda, MD.

Kring, A. M. (2014, March). Emotion Deficits in Schizophrenia: What Have We Learned and Where do We Go From Here? **Invited Presentation** to Columbia Teachers College Department of Psychology, New York, NY.

Kring, A. M. (2014, February). I'll enjoy it but I may not look forward to it: Understanding feelings in schizophrenia. Invited presentation to the Marin County chapter of the National Alliance for Mental Illness, San Rafael, CA.

Kring, A. M. (2013, May). Emotion deficits in schizophrenia: Where feeling meets thinking in the brain. **Invited Presentation** to UCSF Langley Porter Neuroscience Seminar, San Francisco, CA.

Kring, A. M. (2013, April). Emotion and motivation deficits in schizophrenia: Behavioral and neural substrates of negative symptoms. **Invited Presentation** to G. Ruggiero & L. Jacobsen (chairs) symposium Negative Symptoms of Schizophrenia: Neuronal circuit, translation, and future directions at the annual meeting of the American Society for Pharmacology and Experimental Therapeutics (ASPET), Boston, MA.

Kring, A. M. (2013, January). What can we learn about nonverbal behavior by studying psychopathology? **Invited presentation** to the Nonverbal Behavior Preconference, Society for Personality and Social Psychology, New Orleans, LA.

Caponigro, J. M., Moran, E. K., Campellone, T., Mote, J., Kennedy, A., & Kring, A. M. (2012). Imagining the future: Memory and prospection in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Ann Arbor, MI.

Campellone, T., Caponigro, J., & Kring, A. M. (2012). I just can't do it, I don't have the power: The relationship between sense of power, internalized stigma, negative symptoms, and functioning in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Ann Arbor, MI.

Mote, J., Campellone, T., Caponigro, J. M., Kennedy, A., Moran, E., & Kring, A. M. (2012). Once more with feeling: Sex differences in emotion experience and expressivity in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Ann Arbor, MI.

Kring, A. M. (2011, April). What have we learned by translating affective science to the study of schizophrenia? **Invited presentation** to the Department of Psychology, Emory University, Atlanta, GA.

Kring, A. M. (2012, January). When emotion responses go (a little) awry: The case of schizophrenia. Paper presented in L. Szcurek & J. J. Gross (Chairs) symposium entitled *Understanding What Others Feel: Emotion Perception and Social Evaluation* at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

Kring, A. M. (2011, December). Emotion experience in schizophrenia: Timing matters. Paper presented

in S. Marder (Chair) symposium entitled *Translational Approaches to Understanding Negative Symptoms* at the annual meeting of the American College of Neuropharmacology, Waikoloa Beach, Hawaii.

Kring, A. M., Blanchard, J. J., Gur, R., & Horan, W. P. (2011, September). The development and validation of the Clinical Assessment Interview for Negative Symptoms (CAINS): A report from the Collaboration to Advance Negative Symptom Assessment in Schizophrenia. Paper presented at the annual meeting of the Society for Research in Psychopathology, Boston, MA.

Caponigro, J. M., Moran, E., Moskowitz, J. & Kring, A. M. (2011, September). Intervention to increase awareness and coping with emotion in schizophrenia (ACES). Poster presented at the annual meeting of the Society for Research in Psychopathology, Boston, MA.

Elis, O., Gupta, N., Nocacek, D., & Kring, A. M. (2011, September). Poster presented at the annual meeting of the Society for Research in Psychopathology, Boston, MA.

Campellone, T., & Kring, A. M. (2001, September). Context and the perception of emotion in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Boston, MA.

Moran, E., Mehta, N., Espaldon, R. & Kring, A. M. (2011, September). Emotional responding in depression: Distinctions in the time course of emotion. Poster presented at the annual meeting of the Society for Research in Psychopathology, Boston, MA.

Kring, A. M. (2011, May). Emotion in schizophrenia: Where feeling meets thinking. **Invited talk** in the **invited symposium** *Current Directions in Schizophrenia Research* at the annual meeting of the Association for Psychological Science, Washington, DC.

Kring, A. M., Gur, R. B., Blanchard, J. J., & Horan, W. P. (2011, April). Reliability and Validity of the Clinical Assessment Interview for Negative Symptoms (CAINS): A report from the Collaboration to Advance Negative Symptom Assessment. Poster presented at the International Congress on Schizophrenia Research, Colorado Springs, CO.

Horan, W. P., Blanchard, J. J., Gur, R. & Reise, S. (2011, April). The Structure of Negative Symptoms: Findings from the Collaboration to Advance Negative Symptom Assessment in Schizophrenia (CANSAS). Poster presented at the International Congress on Schizophrenia Research, Colorado Springs, CO.

Kring, A. M. (2010, June). Strategies for translating science into practice: Specialty clinic training model. Chair of clinical roundtable (presenters: Janelle Caponigro, Stephen Chen, Erika Lee, Erin Moran, Anna Sapozhnikova, & Adriane Soehner) at the annual meeting of the World Congress of Behavioral and Cognitive Therapies, Boston, MA.

Kring, A. M. (2010, May). Translating basic research on emotion to schizophrenia: What have we learned and where do we go from here? **Invited presentation** to the Department of Psychology, University of Minnesota, Minneapolis, MN.

Kring, A. M. (2010, March). Emotion deficits in schizophrenia: Timing matters. **Invited talk** for the Arts and Humanities Research Council sponsored workshop *Emotions and Feelings in Psychiatric Illness*, Durham University, Durham, United Kingdom.

Kring, A. M. (2009, May). When emotions go awry: Unpacking the time course of emotion deficits in psychopathology. **Invited address** to the annual meeting of the Association for Psychological Science, San Francisco, CA.

Blanchard, J. J., Forbes, C., Wilson, A., Baker, B., Gur, R., Horan, W. P., Kring, A. M., & Bennett, M. E. (2009, April). Initial reliability and validity of the new NIMH-MATRICES Negative Symptom Rating Scale. Paper presented at the annual meeting of the International Congress on Schizophrenia Research, San Diego, CA.

Horan, W. P., Wynn, J. K., Kring, A. M., Simons, R. F., Crosby, S., Nori, P., Mancini, L. & Green, M. F. (2009, April). Electrophysiological correlates of emotional experience in schizophrenia. Poster presented at the annual meeting of the International Congress on Schizophrenia Research, San Diego, CA.

Horan, W. P., Wynn, J. K., Simons, R. F., Kring, A. M., Nori, P., Mancini, L. Crosby, S., & Green, M. F. (2009, April). Electrophysiological correlates of emotion anticipation in schizophrenia. Poster presented at the annual meeting of the International Congress on Schizophrenia Research, San Diego, CA.

Kring, A. M. (2009, March). Emotion deficits in psychopathology: Translational research in action. **Invited colloquium**, Stanford University, Palo Alto, CA.

Kring, A. M. (2009, March). Translating basic research on emotion to schizophrenia: Timing matters.

**Invited colloquium** to the Department of Psychology, Washington University, St. Louis, MO.

Johnson, D. P., Penn, D. L., Fredrickson, B. L., Kring, A. M. (2008, November) Loving-kindness meditation to enhance the psychological recovery of individuals with persistent negative symptoms of schizophrenia: A pilot study. Poster presented at the annual meeting of the Association for the Advancement of Cognitive Behavioral Therapy, Orlando, FL.

Kring, A. M., Penn, D., Fredrickson, B. L., & Johnson, D. (2008, September). Translating basic research on emotion to schizophrenia: Implications for psychosocial interventions. Paper presented at the annual meeting of the Society for Research in Psychopathology, Pittsburgh, PA.

Ursu, S., Kring, A. M., Germans Gard, M. K., Gordon-McKeon, S., Minzenberg, M. J., Yoon, J., Ragland, J. D., Solomon, M. & Carter, C. S. (2008, May). Neural substrates of emotional responding in schizophrenia: An event related fMRI study. Poster presented at the annual meeting of the Society for Biological Psychiatry, Washington, DC.

Kring, A. M. & Ochsner, K. N. (2008, March). Social cognition: Affective recognition and evaluation. **Invited presentation** to the 3<sup>rd</sup> meeting of Cognitive Neuroscience Treatment Research to Improve Cognition in Schizophrenia (CNTRICS), Sacramento, CA.

Kring, A. M. (2008, February). Timing is everything: Unpacking the nature of emotion deficits in psychopathology. **Invited presentation** in G. A. Bonanno (chair) symposium entitled *Context Insensitivity in Emotion Responding and its Role in Psychopathology* at the emotion pre-conference meeting at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, New Mexico.

Kring, A. M. Gard, D., Horan, W. Green, M., Ursu, S., Minzenberg, M., Germans Gard, M. & Carter, C. (2007, October). Anticipatory pleasure deficits in schizophrenia: Boundaries and specificity. Paper presented in D. Barch (chair) symposium entitled, *The Nature of Emotion, Motivation and Reward Processing in Schizophrenia: Surprising Finding, New Insights and Future Directions* at the annual meeting of the Society for Research in Psychopathology, Iowa City, Iowa.

Horan, W. P., Green, M. F., Wynn, J. K., Kring, A. M., & Simons, R. F. (2007, December). Impaired Anticipatory Pleasure in Schizophrenia. Paper presented in D. Goff (chair) symposium entitled, *Reward Responsiveness and Negative Symptoms: A Novel Tool for Clinical Trials* at the annual meeting of ACNP, Boca Rotan, Florida.

Kring, A. M. (2007, April). Translating basic research on emotion to schizophrenia and depression: What have we learned and where do we go from here? Paper presented at the colloquia series of the Institute for Personality and Social Research, UC Berkeley.

Kring, A. M. (2007, March). Translating basic research on emotion and social cognition to schizophrenia: Promises and pitfalls. Paper presented in D. Leitman (chair) symposium entitled, *Social Cognition and Affective Disturbance* at the International Congress on Schizophrenia Research, Colorado Springs, CO.

Horan, W. P., Green, M. F., Kring, A. M., & Wynn, J. K. (2007, March). Anhedonia in schizophrenia: What is the nature of this hedonic deficit? Paper presented in S. Marder (chair) symposium entitled, *New Directions in Negative Symptom Research* at the International Congress on Schizophrenia Research, Colorado Springs, CO.

Ursu, S., Walter, R. P., Kring, A. M., Germans Gard, M. K., Minzenberg, M. J., Becker, T. M., & Carter, C. S. (2007, March). The neural substrates of emotional processing in schizophrenia. Poster presented at the International Congress on Schizophrenia Research, Colorado Springs, CO.

Kring, A. M. (2007, March). Emotion and Psychopathology: Basic science meets clinical application. **Invited presentation** to mental health department at San Quentin Prison, Marin County, CA.

Kring, A. M. (2006, August). On the nature of anhedonia in schizophrenia. Paper presented in A. T. Beck (chair) symposium entitled, *Recent Advances in Negative Symptom Research---Translation Into Psychosocial Interventions* at the annual meeting of the American Psychological Association, New Orleans, LA.

Kring, A. M. (2006, April). Towards and understanding of emotion deficits in schizophrenia: Expression, experience, and cognition. Joseph P. Zubin **Award Address**, New York State Psychiatric Institute, New York, NY.

Kring, A. M. (2006, April). On the nature of emotion deficits in schizophrenia. **Invited talk** at the Nathan Kline Institute, Orangeburg, NY.

Yuan, J. & Kring, A. M. (2005, October). Depressive realism and the prediction of emotional responses to future events. Poster presented online at the annual meeting of the Society for Research in Psychopathology, Miami, FL (meeting cancelled due to Hurricane Rita).

Kring, A. M. (2005, May). Emotion and cognition in schizophrenia. Paper presented in D. Barch (chair) **invited symposium** entitled, *Neural Mechanisms of Emotion-Cognition Interactions: Translation From Basic to Clinical Science* at the annual meeting of the American Psychological Society, Los Angeles, CA.

Madan, A. & Kring, A. M. (2005, May). Selective influences of positive emotion on working memory. Poster presented at the annual meeting of the American Psychological Society, Los Angeles, CA.

Kring, A. M. (2005, April). Emotion and psychopathology: Findings from depression. Paper presented at the annual meeting of the Emotion Research Group.

Kring, A. M., Persons, J. B., & Brechwald, W. (2004, November). Changes in positive and negative affect over the course of treatment for anxiety and depression. Paper presented in J. B. Persons (chair) symposium entitled, *Anxiety and Depression* at the annual meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Germans Gard, M. K., Stuart, B. K., & Kring, A. M. (2004, October). Gender and emotion in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, St. Louis, MO.

Gard, D. E. & Kring, A. M. (2004, November). Anticipation and the elicitation of approach motivation: The role of gender. Poster presented at the annual meeting of the Society for Psychophysiological Research.

Shah, N. M., Gard, D. E., Germans Gard, M., Kring, A. M., & Patrick, C. J. (2004, November). Emotion and motivation in early picture processing. Poster presented at the annual meeting of the Society for Psychophysiological Research.

Kring, A. M. (2004, May). Emotion dysfunction in schizophrenia: Generalizing across gender and context. Paper presented in A. Kring (chair) **invited symposium** entitled *Emotion and Psychopathology* at the annual meeting of the American Psychological Society, Chicago, IL.

Gruber, J. L. & Kring, A. M. (2004, May). Narrating emotional and social experiences in schizophrenia. Poster presented at the annual meeting of the American Psychological Society, Chicago, IL.

Kring, A. M. (2004, April). Emotion in schizophrenia: Old mystery, new understanding. **Invited colloquium** at the University of Maryland, College Park, MD.

Kring, A. M. (2003, November). Emotion and emotion regulation in psychopathology: On the road to conceptual and methodological clarity. **Invited Address** to the annual meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Kring, A. M., Gard, D., & Gruber, J. L. (2003, October). Emotional Experience in Schizophrenia: Linking Emotion and Cognition. Paper presented in D. M. Barch (chair) symposium entitled *Cognition and Emotion in Schizophrenia: Empirical and Theoretical Considerations* at the annual meeting of the Society for Research in Psychopathology, Toronto, Ontario, Canada.

Germans Gard, M. K. & Kring, A. M. (2003, October). A preliminary examination of the relations between deficits of attention and emotion in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Toronto, Ontario, Canada.

Gard, D., Germans Gard, M. K., Kring, A. M., Horan, W., & Green, M. P. (2003, October). Anticipatory and consummatory pleasure in schizophrenia: A scale development study. Poster presented at the annual meeting of the Society for Research in Psychopathology, Toronto, Ontario, Canada.

Shah, N., Germans Gard, M. K., & Kring, A. M. (2003, October). Emotional responding and depressive symptomatology. Poster presented at the annual meeting of the Society for Research in Psychopathology, Toronto, Ontario, Canada.

Heerey, E., Maisel, N., Kring, A. M. (2003, October). (Mis)Perceptions of emotion during social interactions between socially anxious and non-socially anxious individuals. Poster presented at the annual meeting of the Society for Research in Psychopathology, Toronto, Ontario, Canada.

Horan, W., Green, M. P., & Kring, A. M., Poorang, N., & Nuechterlein, K. (2003, October). Does anhedonia in schizophrenia reflect faulty memory for subjectively experienced emotion? Poster presented at the annual meeting of the Society for Research in Psychopathology, Toronto, Ontario, Canada.

Kring, A. M., Borrelli, J., Keltner, D. & Hinshaw, S. (2003, April). Teasing among girls with and

without ADHD. Paper presented at the annual meeting of the Emotion Research Group, Olema, California.

Kring, A. M., Persons, J. B., Shah, N., & Katzenstein, T. (2002, November). Changes in depression, anxiety, and positive and negative affect over the course of treatment. Paper presented J. B. Persons (chair) symposium entitled, *Bridging the Gap Between Basic Research and Intervention on Depression and Anxiety* at the annual meeting of the Association for the Advancement of Behavior Therapy, Reno, NV.

Germans, M. K. & Kring, A. M. (2002, November). Motivation matters: BIS/BAS sensitivity and the time course of emotion-modulated startle. Poster presented at the annual meeting of the Society for Psychophysiological Research, Washington, DC.

Heerey, E. H., Keltner, D., Capps, L. & Kring, A. M. (2001, November). Teasing interactions and children with Autism. Poster presented at the annual meeting of the Society for Research in Psychopathology, Madison, Wisconsin.

Kring, A. M., & Gard, D. (2001, August). On the nature of emotion dysfunction in schizophrenia. Paper presented in D. Sloan (chair) symposium entitled *Emotion and Psychopathology* at the annual meeting of the American Psychological Association, San Francisco, California.

Kring, A. M. & Gard, D. (2001, March). Out of the lab and into the world: Emotion in the daily lives of schizophrenia patients. Paper presented at the annual meeting of the Emotion Research Group, Olema, California.

Gard, D. E., Kring, A. M., Germans, M. K., & Werner, K. (2000, December). Emotion in the daily life of schizophrenia patients. Poster presented at the annual meeting of the Society for Research in Psychopathology, Boulder, Colorado.

Kring, A. M. (2000, November). Emotion in schizophrenia: Implications for public health. Paper presented at the NIMH workshop, "Research on Mental Disorders: Overcoming Barriers to Collaborations Between Basic Behavioral Scientists and Public Health Scientists". **Invited talk.**

Heerey, E., Kring, A., Keltner, D., & Hinshaw, S. (2000, August). Teasing concepts in girls with Attention Deficit / Hyperactivity Disorder: A preliminary analysis. Poster presented at the annual meeting of the American Psychological Association, Washington, DC.

Kring, A. M. (2000, May). Emotion in social interaction: The case of social anxiety. Paper presented at the annual meeting of the Emotion Research Group, Miami Beach, FL.

Kring, A. M. (1999, November). Anhedonia in schizophrenia: Conceptual and methodological issues. Paper presented in J. J. Blanchard (chair) symposium entitled *Reconsidering the Role of Hedonic Capacity in Schizotypy, and Schizophrenia* at the annual meeting of the Society for Research in Psychopathology, Montreal, Canada.

Kring, A. M., Jordan, A. H., Schmid, S. P., & Gallaspy, G. T. (1999, November). Emotion in social anxiety: Nonverbal clues. Poster presented at the annual meeting of the Society for Research in Psychopathology, Montreal, Canada.

Schmid, S. P., Kring, A. M., & Jordan, A. H. (1999, November). Relating social anxiety to interpersonal perception: A self-other comparison. Poster presented at the annual meeting of the Society for Research in Psychopathology, Montreal, Canada.

Kring, A. M. (1999, August). Emotional processing in schizophrenia. Paper presented at the XI World Congress of Psychiatry, Hamburg, Germany. **Invited talk.**

Kring, A. M. (1999, April). Emotion in Psychopathology. Paper presented at the annual meeting of the Emotion Research Group, Lost River, WV.

Kring, A. M. & Germans, M. K. (1998, October). Subjective experience of emotion in schizophrenia. Paper presented at the *International Symposium on Culture, Subjectivity, and Schizophrenia*, New York, NY. **Invited talk.**

Kring, A. M. (1998, May). Emotion disturbance in schizophrenia. Paper presented in A. Kring (chair) symposium entitled, *Emotion and Psychopathology* at the annual meeting of the American Psychological Society, Washington, DC.

Kring, A. M. (1998, May). Dimensions of emotion and schizophrenia. Paper presented in L. Feldman-Barrett (chair) invited symposium entitled, *Research on Emotion from a Dimensional Perspective* at the annual meeting of the American Psychological Society, Washington, DC. **Invited talk.**

Kring, A. M. (1998, April). Emotion in Social Interaction: Teasing among women. Paper presented at

the annual meeting of the Emotion Research Group, Martha's Vineyard, MA.

Germans, M. K. & Kring, A. M. (1997, October). Hedonic deficit in anhedonia: Support for the role of approach motivation. Poster presented at the annual meeting of the Society for Research in Psychopathology, Palm Springs, CA.

Earnst, K. S. & Kring, A. M. (1997, October). Emotional responding in deficit schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Palm Springs, CA.

Kring, A. M. (1997, May). The nature of emotion dysfunction in schizophrenia. Invited paper presented at the annual meeting of the Midwestern Psychological Association, Chicago, IL. **Invited talk**

Kring, A. M. (1997, April). The linkage between emotional expression and emotional experience. Paper presented at the annual meeting of the Emotion Research Group, Olema, California.

Germans, M. K., Kring, A. M., & Earnst, K. S. (1996, September). A comparison between schizophrenic patients' electrodermal responding to innocuous tones and emotional films. Poster presented at the annual meeting of the Society for Research in Psychopathology, Atlanta, GA.

Kring, A. M. (1996, August). Discerning the functions of emotions: Future directions. In J. Gross, A. Kring, & T. Mayne (chairs), *New voices in emotion research: Functions of emotion*. Symposium conducted at the meeting of the International Society for Research on Emotions, Toronto, Ontario, Canada. **Invited talk**

Kring, A. M. (1996, July). Diminished expressivity in schizophrenia. In O. John (chair), *Emotional Expression, Psychopathology, and Health*. Symposium presentation conducted at the annual meeting of the American Psychological Society, San Francisco, CA.

Kring, A. M. (1996, February). Facial expression in schizophrenia. Paper presented at the annual meeting of the Emotion Research Group, Nashville, TN.

Kring, A. M., Earnst, K. S., & Salem, J. E. (1995, November). Emotional processing in schizophrenia. Paper presented at the annual meeting of the Association for the Advancement of Behavior Therapy, Washington, DC.

Earnst, K. S., Kring, A. M., & Salem, J. E. (1995, October). Emotional responding in schizophrenics and normals. Poster presented at the annual meeting of the Society for Research in Psychopathology, Iowa City, Iowa.

Salem, J. E., Kring, A. M., & Earnst, K. S. (1995, October). The relationship between affective and social deficits in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Iowa City, Iowa.

Kring, A. M., Kerr, S. L., & Earnst, K. S. (1995, October). Schizophrenic's facial reactions to emotional facial expressions. Poster presented at the annual meeting of the Society for Research in Psychopathology, Iowa City, Iowa.

Putnam, K. M., Kring, A. M., & Neale, J. M. (1995, October). Posed vocal and facial emotional expressivity in unmedicated schizophrenics: Accuracy and intensity. Poster presented at the annual meeting of the Society for Research in Psychopathology, Iowa City, Iowa.

Kring, A. M., Ranieri, S., & Eberhardt, D. (1995, July). Social context and personality influence expressive and subjective emotional response to films. Poster presented at the annual meeting of the American Psychological Society, New York, NY.

Kring, A. M. (1995, January). Emotion in schizophrenia. Presentation at the first meeting of the Emotions Research Group, San Francisco, CA.

Earnst, K. S., Kring, A. M., Kadar, M. A., Salem, J. E., & Smith, D. A. (1994, October). A longitudinal study of emotional response in schizophrenia: Preliminary results. Poster presented at the annual meeting of the Society for Research in Psychopathology, Coral Gables, Florida.

Salem, J. E., Kring, A. M., Earnst, K. S., Kerr, S. L., & Hollon, S. D. (1994, October). Facial emotion perception in schizophrenia: Differential deficit or generalized poor performance? Poster presented at the annual meeting of the Society for Research in Psychopathology, Coral Gables, Florida.

Putnam, K., Lombardi, J., Kring, A. M., & Neale, J. M. (1994, October). Affective arousal and expressivity in unmedicated schizophrenics: The role of stimulus intensity. Poster presented at the annual meeting of the Society for Research in Psychopathology, Coral Gables, Florida.

Kring, A. M., & Gordon, A. H. (1994, July). Gender differences in emotional expression: Gender or gender role? Poster presented at the annual meeting of the American Psychological Society, Washington, DC.

Kring, A. M., Putnam, K. M., Alpert, M., & Neale, J. M. (1993, October). Assessing vocal expressivity in schizophrenia using acoustic analyses and judges ratings. Poster presented at the annual meeting of the Society for Research in Psychopathology, Chicago, Illinois.

Kring, A. M., & Tomarken, A. J. (1993, June). Measuring facial expression of emotion: A comparison of methods. Poster presented at the annual meeting of the American Psychological Society, Chicago, Illinois.

Kring, A. M., Alpert, Pouget, E., Sloan, D., Moskowitz, J., Davidson, M., & Klein, D. (1991, December). A multimethod, multichannel assessment of affective flattening in schizophrenia: Preliminary findings. Poster presented at the annual meeting of the Society for Research in Psychopathology, Cambridge, MA.

Neale, J. M., Kring, A. M., & Smith, D. A. (1991, December). The relationship among expressive, phenomenological, and physiological components of emotion in schizophrenia. Paper presented at the annual meeting of the Society for Research in Psychopathology, Cambridge, MA.

Blanchard, J. J., Kring, A. M., Kerr, S., & Neale, J. M. (1991, December). Flat affect in schizophrenia: A test of neuropsychological models in unmedicated schizophrenics. Poster presented at the annual meeting of the Society for Research in Psychopathology, Cambridge, MA.

Kerr, S., Kring, A. M., & Neale, J. M. (1991, December). Emotion recognition deficits in schizophrenia: Differential or generalized deficit? Poster presented at the annual meeting of the Society for Research in Psychopathology, Cambridge, MA.

Devinsky, O., Brown, E., Kring, A., Luciano, D., Dogali, M., Perrine, K. (1991, December). Effects of epilepsy surgery on functional memory. Poster presented at the annual meeting of the American Epilepsy Society, Philadelphia, PA.

Kring, A. M., Kerr, S., Smith, D. A., & Neale, J. M. (1990, November). Empirical confirmation of paramimia in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Boulder, Colorado.

Neale, J. M., Kring, A. M., Smith, D. A., Kerr, S., & Blanchard, J. J. (1989, November). Perception of facial and vocal affect in unmedicated schizophrenics. Poster presented at the annual meeting of the Society for Research in Psychopathology, Coral Gables, Florida.

Blanchard, J. J., Smith, D. A., Kring, A. M., Kerr, S., & Neale, J. M. (1989, November). A neuropsychological examination of flat affect in schizophrenia. Poster presented at the annual meeting of the Society for Research in Psychopathology, Coral Gables, Florida.

Kring, A. M., Neale, J. M., Smith, D. A., & Kerr, S. (1989, August). The relationship between autonomic arousal and expression of emotion. Poster presented at the annual meeting of the American Psychological Association, New Orleans, Louisiana.

Kring, A. M., Smith, D. A., & Neale, J. M. (1989, August). The development of an economical method for coding facial expression. Poster presented at the annual meeting of the American Psychological Association, New Orleans, Louisiana.

Kring, A. M., Neale, J. M., & Smith, D. A. (1988, August). The development and validation of the emotional expressivity scale. Poster presented at the annual meeting of the American Psychological Association, Atlanta, Georgia.

Kring, A. M., & Butler, D. L. (1986, May). Parallelness: A global feature in visual perception? Paper presented at the annual meeting of the Midwestern Psychological Association, Chicago, Illinois.

Kring, A. M., & Butler, D. L. (1985, May). Instructional computing: A survey of academic psychologists. Paper presented at the annual meeting of the Midwestern Psychological Association, Chicago, Illinois.

### **Professional Activities**

Member, organizing committee for Psychological Clinical Science Summit, 2022-2023

Member, Association for Psychological Science Mentor Award committee, 2021-2023

Member, Association for Psychological Science James Jackson Lifetime Achievement Award Committee, 2020-2023

Member, Association for Psychological Science Diversity, Equity, & Inclusion committee, 2020-2022

Member, Association for Psychological Science Board of Directors, 2019-2022  
 Member, Search Committee for Editor, *Perspectives on Psychological Science*, 2021  
 Chair, APA Committee on Scientific Awards, 2021  
 Member, APA Committee on Scientific Awards, 2018-2020  
 Member, SAMHSA panel on Cognitive-Behavioral Therapy (CBT) for Persons with Schizophrenia Spectrum Disorders; May 17, 2019  
 Member, Search Committee for Editor of *Psychological Science in the Public Interest*, 2014  
 Member, Association for Psychological Science Janet Taylor Spence Award Committee 2011 -2014  
 Member, Rand panel to develop a battery of social cognitive tests for use in schizophrenia (Social Cognition Psychometric Evaluation - SCOPE; September, 2012  
 National Cancer Institute (Basic Biobehavioral and Psychological Sciences Branch) workshop on Affect & Stress, April 30 – May 1, 2012  
 National Cancer Institute (Basic Biobehavioral and Psychological Sciences Branch) Affective Science Perspectives on Cancer Control Workshop October 12-13, 2011  
 Grant Reviewer, Institute for Mental Health Research, 2010  
 NIMH CNTRICS (Cognitive Neuroscience Treatment Research to Improve Cognition in Schizophrenia) meeting on Selecting Cognitive Tasks, March 2008  
 NIMH meeting on Social Cognition and Schizophrenia, March, 2006  
 NIMH Initiative for the Development of a new measure of Negative Symptoms, 2005  
 NIMH-MATRICES (Measurement and Treatment Research to Improve Cognition in Schizophrenia) - Rand Panel to develop a consensus battery for clinical trials in schizophrenia, September, 2003  
 Ad-hoc reviewer, Academy of Clinical Science Membership, 1997-1999; 2007  
 Member, Examining Committee for Tennessee State Licensing, 1996  
 Member, APA Division 12 program review committee, 1995-1998  
 Consultant to the Murfreesboro Veterans Administration Hospital, 1993 -1998  
 Licensed as a health service provider in Tennessee (P0000001862), 1993

NIMH Grant Review Activities:

Ad hoc reviewer, Adult Psychopathology & Disorders of Aging ([APDA](#)) study section, February 2021  
 Chair, Adult Psychopathology Special Emphasis Panel, March 2020  
 Member, Developmental/Early Phase Clinical Trials Special Emphasis Panel, February 2016  
 Ad hoc reviewer, SPIP study section, February 2013, 2014  
 Member, SPIP study section, July 2010-June 2012  
 Loan Review Program, March 2008  
 Loan Review Program, March, 2007  
 Member, Special Emphasis Panel, July 2006  
 Loan Review Program, March, 2006  
 Ad-hoc reviewer, SPIP study section, February 2004  
 Member, Special Emphasis Panel, July 2003  
 Ad-hoc reviewer, RPHB-4 IRG, June, 2002  
 Ad-hoc reviewer, RPHB-4 IRG, February, 2001  
 B-START reviewer, 1997-1999  
 Ad-hoc reviewer, Social and Group Processes study section, October, 1998  
 Member, Basic Behavioral Centers IRG, July, 1998  
 Ad-hoc reviewer, Social and Group Processes study section, November, 1997  
 Ad-hoc reviewer, Social and Group Processes study section, February, 1997  
 Member, NIMH Special Emphasis Panel, November, 1996

Editorial and Journal Service:

Editorial Board: *Journal of Emotion and Psychopathology*, 2021-2024

Consulting Editor, *Clinical Psychological Science*, 2018-2021  
 Handling Editor, *Collabra; Clinical Psychology*, 2017 – 2020  
 Associate Editor, *Journal of Abnormal Psychology*, 2009-2011  
 Associate Editor, *Applied and Preventive Psychology*, 2004-2010  
 Associate Editor, *Cognition & Emotion*, 1999-2001  
 Editorial Board: *Schizophrenia Bulletin*, 2009-2015  
 Editorial Board: *Psychological Science in the Public Interest*, 2008-2014  
 Consulting Editor, *Journal of Abnormal Psychology*, 2000-2005; 2007-2009; 2012-2014  
 Consulting Editor, *Emotion*, 2003-2010  
 Editorial Board, *Journal of Research in Personality*, 2003-2005

\* note: nominated to be Editor, *Psychological Science* in 2019 – I declined  
 nominated to be Editor, *Journal of Abnormal Psychology* in 2009 – I declined  
 nominated to be Editor, *Emotion* in 2010 – I declined  
 nominated to be Editor, *Clinical Psychological Science* in 2011, 2015, 2019 – I declined  
 nominated to be Editor, *Psychological Science in the Public Interest* in 2017 – I declined

Ad-hoc Reviewer:

**Teaching Experience** (UC Berkeley)

2024 – 2026	Introduction to Psychology (Psych 1)
2020 – 2022	Teaching of Psychology (Psy 375)
2015 – 2019	Introduction to the Profession of Psychology (Psy 292)
2011; 2013	Freshman Seminar (Psy 24)
2013 – 2014	Balance Specialty Clinic (Psy 236)
2012 – 2013	Writing Seminar (Psy 290Z)
2009 – 2011	Mood Disorders Specialty Clinic (Psy 236)
2005 – 2006	Emotion Awareness & Management Specialty Clinic (Psy 234D)
2001 – 2004; 2007 – 2009; 2022 – 2024	Clinical Science Seminar (Psy 239)
2001; 2003	Clinical Research Methods, graduate (Psy 235)
2000 – 2012	Clinical Proseminar, graduate (Psy 230, 230a)

1999	Psychopathology - graduate (Psy 236)
1999 – 2014	Clinical Supervision - graduate (Psy 237)
1999 – 2019	Clinical Psychology - undergraduate (Psy 130)
2015 – 2024	Berkeley Postbaccalaureate Program Student Advising: (Ainsley Thornburgh, Allie Jensen, Megan Mikhail, Lana Marks, Ashby Cogan, Alexander Koshy, Kristin Wolf, Em Lundberg)
1999 – 2019	Undergraduate Psychology Honors Student Advising (Sabrina Ko, 1998-99; June Hemingway, Terrance Williams, 1999-2000; Jessica Borrelli, 2001-02; June Gruber, Kathy Derangi, Natalya Maisel, 2002- 03; Marybel Robledo, 2005-06; Scott Walker, 2010-11; Michelle Russell 2012-13; Katie Bryant, Minsu Kim 2013-14; Iliana Lopez Yanez, 2018-19; Greg Devine, 2019)
2002 – 2003	Haas scholar faculty mentor (June Gruber)
1999 – 2022	Undergraduate Research Apprentice Program (URAP) mentor
1999 – 2002	Guest lectures in Psychology 100B

### **Dissertation and Thesis Supervision**

Number of Ph.D. committees:	51 (12 chaired)
Number of Qualifying Exam committees	62 (35 chaired)
Number of MA Committees:	60 (13 chaired)
Number of Undergraduate Honors Theses supervised:	14
Number of PhD committees at other universities:	5

### **Student Awards and Grants** (UC Berkeley)

Lauren Weittenhiller, NSF Graduate Fellowship, 2017-2020  
Brandon Chuang, NSF Graduate Fellowship, 2017-2020  
Renata Bottello, URAP summer fellowship  
Jasmine Mote, Phi Beta Kappa Fellowship, 2016  
KZ Nguyen, Undergraduate Miller’s Scholar, 2015-2016  
Tim Campellone, UC Berkeley Xlab Grant, 2014-2015  
Jasmine Mote, Hornaday Fellowship, Greater Good Science Center, 2014-2015  
Amy Sanchez, Bay Area Affective Science Training Grant (T32), 2014-2016  
Tim Campellone, APAGS Basic Psychological Science Research Grant, 2014  
Amy Sanchez, Diebold Fellowship, 2014  
Janelle Caponigro, APA Dissertation Award, 2013-2014  
Erin Moran, William and Dorothy Bevan Scholarship, APF/COGDOP, 2013  
Tim Campellone, Mental Illness and Neuroscience Training Grant (T32), 2012-2014  
Jasmine Mote, NSF Graduate Fellowship, 2012-2015  
Jasmine Mote, Initiative for Maximizing Student Development Graduate Fellow, 2011-2012  
Erin Moran, Mental Illness and Neuroscience Training Grant (T32), 2011-2013  
Janelle Caponigro, Bay Area Affective Science Training Grant (T32), 2010-2013  
Janelle Caponigro, Hornaday Fellowship, Greater Good Science Center, 2010-2011  
Jake Smith, Biology Fellows Scholarship, 2009  
Ori Elis, Capps Fellowship, 2009  
Erin Moran, NSF Graduate Fellowship, 2008-2011  
Rodolfo Cortes, Beinecke Scholarship, 2008  
June Gruber, Bay Area Affective Science Training Grant (T32), 2004-2007  
Joyce Yuan, NSF Graduate Fellowship, 2004-2007  
Barbara Stuart, Mentored Research Award from UC Berkeley, 2004-2005  
Anita Madan, Bay Area Affective Science Training Grant (T32), 2004-2005  
Marja Germans, NIMH predoctoral NRSA, 2002-2003

Natalya Maisel, Psychology Department Citation, 2003  
June Gruber, Haas Scholar, 2002-2003  
Anita Madan, NSF Graduate Fellowship Honorable Mention, 2002  
June Gruber, NSF Graduate Fellowship Honorable Mention, 2002  
David Gard, Bay Area Affective Science Training Grant (T32), 2001-2004  
Jessica Borrelli, NSF Graduate Fellowship Honorable Mention, 2001  
Marja Germans, American Association of University Women Graduate Fellowship, 2001-2002

### **Department Service and Committees** (UC Berkeley)

Director, Clinical Science Program, 2022-2024  
Member, Department Space Committee, 2024  
Chair, Department Lectureship Committee, 2022  
Department Chair, 2015 - 2020  
Department Vice Chair, 2013-2014  
Department Equity Advisor, 2013-2014  
Chair, Climate and Equity Committee, 2013-2014  
Chair, Department opportunity vetting committee, 2013  
Chair, Department Awards Committee, 2011-2013  
Research mentor for student in Summer Research Opportunities Program (SROP), summer 2011  
Chair, Clinical Science Search Committee, 2007-2008  
Director, Clinical Science Program, 2007-2009  
Director, Psychology Clinic, 2007-2009  
Member, Cross-area Search Committee, 2007  
Chair, Clinical Science Search Committee, 2005-2006  
Chair, Clinical Science Search Committee Chair, rank open position, 2003-2004  
Member, Clinical Science Search Committee, asst professor position, 2003-2004  
Member, Departmental Committee on Teaching, 2003-2004  
Member, Future Hiring Committee, 2002-2004  
Member, Clinical Science Search Committee, 2002-2003  
Director, Clinical Science Program, 2001 - 2004  
Director, Psychology Clinic, 2001- 2004  
Faculty Coordinator for Department RPP program, 2000 - 2001  
Chair, Graduate Awards Committee, 2001  
Ad-hoc Committee member, 2000 - present  
Research mentor for student in Summer Research Opportunities Program (SROP), 2011, 2000  
Lab mentor for APA Summer Science Institute, summer 2000  
Graduate Awards Committee, 1999-2000  
Member, Social/Personality Search Committee, 1999-2000  
Lecturer for APA Summer Science Institute, summer 1999

### **University Service and Committees** (UC Berkeley)

Member, EVCP Task Force on reducing bureaucratic burden, 2022-2023  
Faculty Athletics Council (FACL), 2022-2023  
UCSF-UC Berkeley Schwab Dyslexia and Cognitive Diversity Center Advisory Committee, 2020-2022  
Student-Athletics Admissions Committee (SAAC), Spring 2018- Spring 2021  
XLab Executive Committee, 2019-2020  
IPSR Director Search Committee, 2018  
Berkeley Way Building Committee, 2014 - 2018  
Committee on Faculty Awards, 2011-2014  
Public Health, Psychology, & Education (PHPE) Committee, 2012 - 2013

Campus Ad-hoc Review Committee, chair and member 2008  
Faculty Lecture, Cal Day 2008  
France-Berkeley Fund grant reviews, 2009-2011  
Member, Search Committee, Dean of Undergraduate Division, College of Letters & Science, 2003  
Faculty Advisory Board, Haas Scholars Program, 2003-2004  
Chair, College of Letters & Science Executive Committee, 2002-2004  
Member, College of Letters & Science Executive Committee, 2000-2002  
Participant and Moderator for panel during "UC Berkeley's Career Week 2000"

### **Community and Professional Service**

Invited participant, Ball State University Oral History Project, 2019  
Invited Speaker, National Alliance on Mental Illness local chapters 2009-  
Continuing Education Workshop instructor, UC Berkeley Extension 2013  
Guest Lectures, Wright Institute, 2006 - 2013  
Examiner, dissertation in Psychology, University of Maastricht, the Netherlands, 2012  
Examiner, dissertation in Clinical Psychology from the University of Melbourne, Australia, May 2008  
California Forum on Diversity in Graduate Education, October 2006  
California Forum on Diversity in Graduate Education, April 2002  
Invited Speaker Welcome Week Ball State University, August, 2001  
Judge, Intel International Science and Engineering Fair, May 2001

### **Teaching Experience** (Vanderbilt)

1992 - 1998	Abnormal Psychology - undergraduate
1992 - 1998	Freshman seminar in Psychopathology - undergraduate
1991 - 1998	Advanced General in Psychopathology - Graduate
1992 - 1998	Clinical Science Seminar - Graduate
1991 - 1998	Undergraduate Directed studies - 2-3 undergraduates per year
1991 - 1998	Undergraduate Psychology Honors students - 1-2 per year

### **Dissertation and Thesis Supervision** (Vanderbilt)

Number of Completed Dissertations chaired:	4
Number of MA Theses chaired:	4
Number of Ph.D., Examining, and MA Committees:	15
Number of Undergraduate Honors Theses supervised:	11

### **Department Service and Committees** (Vanderbilt)

Departmental External Review Committee, 1998  
Graduate Studies Committee, 1992-1998  
Undergraduate Major Advising, 1992 - 1998; on average 30 students per year  
Clinical Search Committee, Asst Professor search, 1994-1995  
Organized and prepared application for Academy of Psychological Clinical Science, 1994-1995  
Ad-hoc committee on Departmental Deadlines, 1995  
Clinical Search Committee, Professor search, 1993-1994  
Departmental Faculty Development Committee, 1993-1994  
Clinical Search Committee, Asst. Prof. search 1992-1993  
Committee for hiring of Assistant Director of Clinical Training, Spring, 1992

### **University Organizations and Committees** (Vanderbilt)

Women's Studies Affiliated Faculty, 1997-1998  
Women's Faculty Organization, 1992 - 1998
